

CHURCH HERE NOW FORMING AN ORCHESTRA

Prof. F.W. Hadler Sends Out A Call For Musicians

Prof. F. W. Hadler, the efficient director of the Sunday school orchestra of Central Evangelical church, is forming an orchestra to play at the Sunday evening services. This orchestra will be composed of adults mainly and will render a short program each Sunday evening, besides leading in the congregational singing.

Prof. Hadler has had much experience in orchestra work and is certain to develop a fine orchestra. An invitation is extended to all people who play any musical instrument, to join the orchestra. It meets for rehearsal each Tuesday evening at 7:30 in the church.

Those who have heard Mr. Hadler render his beautiful violin solos at the church services each Sunday morning and evening enjoy his playing very much. The little old violin, which has been in the Hadler family for 120 years, and was old when they got it, is wonderfully sweet and rich in tone, and under the soulful touch of Mr. Hadler thrills all who hear it.

Anyone desiring to come into the orchestra may call upon Rev. Zeller, 1545 Marcelina ave., for further information, or may come to the church for rehearsal on Tuesday evening.

Miss Eleanor E. Kraft of Los Angeles, state Junior superintendent of the Evangelical League of Christian Endeavor, and Miss Rosa Sandman, also of Los Angeles, were visitors at the Christian Endeavor service at Central church Sunday evening.

The Woman's Missionary society of Central Evangelical church will meet on Thursday afternoon of this week at the home of Mrs. C. O. Schuchman on Sierra street.
