K. of C. Council Has Enjoyable Dinner

The Knights of Columbus council of Torrance and Gardena served a 6 o'clock dinner to the members of the council and their families Wednesday evening at Catholic hall.

About 250 partook of the bounteous repast, cooked and served by the men. They learned that men can cook.

James Anderson, as head waiter, saw that everyone was served quickly and quietly. Any guest at that banquet would never have known the dinner was not cooked by some noted chef, or that the waiters were not experienced in that line of work.

Louis J. Smith was toastmaster of the evening. A. J. Colmer, grand knight of the Torrance council, made the opening address, followed by a short but interesting talk on the growth and strength of the order, by P. J. Reilly. Robert Garbe was next called upon, and responded with a few remarks on the work being done by the knights. Last, but not least, Arthur Mullin said that the council was making great strides in membership and announced many social affairs for the near future, one of which will be a barbecue within the next 30 days.

Miss Mildred Masser, noted radio singer, rendered several selections, which were greatly enjoyed by all who were fortunate enough to hear her. Mrs. D. W. DeGross, also a radio singer, favored the audience with a number of selections.

The remainder of the evening was spent in dancing.

Local Vets Attend San Pedro Ceremony

The student body of the San Pedro high school conducted Memorial Day exercises on Monday. The guests of honor were Civil war, Spanish war and World war veterans, the Relief corps, and the Ladies' auxiliaries. The speakers of the exercises were Commander Z. S. Snider, of the Civil war; Commander A. W. Mueller of Lomita, of the Spanish-American war, and Chaplain A. K. Matthews, of the American Legion.

After the exercises a splendid repast was served by the faculty of the San Pedro high school, assisted by the domestic science department.

Those who attended from here were Comrades Wm. Mendelson and Mr. Sivad, Civil war veterans, and A. W. Mueller, Spanish war veteran.

EPWORTH LEAGUE SOCIAL

A combined business meeting and social was held Tuesday by the Epworth league at the Methodist church.

The membership race is creating a great deal of enthusiasm. Headed by a Ford and a Pierce Arrow, the miles for each side are piling up—new members count 25 and visitors 15.

After the business meeting the "Ford" presented an amusing sketch, and Miss Keller, of the "Pierce Arrow," gave a reading, "Learning to Drive a Pierce Arrow."
