Church services at 11 o'clock. There will be no evening service, as we join with the other churches of the town in the baccalaureate services.

All the members of the church are especially urged to be present Sunday morning, as there will be important reports made.

**HE WANTED TIP**  
 The colonel was delivering an address to junior officers up for examination. He dwelt with much emphasis on the fact that each officer should devote the intervening time to preparing for the final examination. "The examination papers," he said, "are now in the hands of the printer. Are there any questions to be asked?" Silence prevailed.  
 Suddenly a voice from the rear quietly inquired: "Who's the printer, sir?"

**SILK FRINGE IS USED LAVISHLY ON LINGER GOWN**

Hand knotted silk fringe covers the entire skirt of this striking dinner gown of black georgette while a rhinestone buckle gives a touch of brilliance to it. To some the effect of the fringed skirt might suggest the costume of dried grass of a hula-hula dancing girl and possibly it was from one of them that the designer drew his inspiration, who knows.
