# HOFFMAN'S SEASON'S END SALE OF SHOES

Another season over, and we find our shelves loaded with entirely too many shoes at this time. This sale to you will be a memorable event, for we have unmercifully slashed the prices on this stock of shoes so low that the most skeptical buyers will take advantage of our prices. Never before in the history of shoe sales has there been one like this. We have been working day and night to mark this stock down to make buying fast and furious.
