18-Year-Old Lass Classy Swimmer

NEW YORK, June 26.—Experts who have seen Mariechen Weh-selau in action believe that this powerful maiden from Hawaii, the land of the hula-hula and star swimmers, will be one of the out-standing stars in the aquatic sec-tion of the Olympic games. Miss Weh-selau, in exhibitions here be-fore the exodus for Paris, showed her class. Using the powerful is-land crawl stroke, similar to that used by Kahanamoku, she won her races in easy fashion. While most of her swimming has been in open water she proved that she can take the time in a tank with the best of the feminine stars.

She held, when she left Hawaii, all the island records, and had held them four years. She is now only eighteen.
