Proudest Farm Boy in U. S.

Georgie Teller, 10, son of a Minnesota farmer, is just about the proudest boy in the Middle West, if not in the whole U. S. Georgie is seen with the grand champion animal of the junior livestock show, which he raised, and will present to President Coolidge, another farm boy, at the International Livestock Exposition in Chicago.

Janice Meredith To Be Screened for Two Days

Lomita Theatre Secures Big
Feature for Sunday
and Monday

All the grandeur and magnificence of the famous Hall of Mirrors at the court of Versailles is reproduced in "Janice Meredith," Marion Davies, new Cosmopolitan production, which will be shown Sunday and Monday at the Lomita theatre.

Every detail of this beautiful scene has been faithfully and accurately constructed by noted artists and skilled artisans, from the smallest candelabrum to the massive mirrors; and the scene at the French court, when Benjamin Franklin pleads for aid for the American cause, is one of the most dazzling of any motion picture.

Lille Hayward adapted Paul Leicester Ford's stirring romance of the American Revolution to the screen, and E. Mason Hopper directed the production, distributed by Metro-Goldwyn.

CHURCH NOTES

CENTRAL EVANGELICAL

Francis A. Zeller, Pastor.

The pastor will preach a Christmas sermon in the morning at 11. The choir has some beautiful Christmas songs. The service will be a pleasure and a blessing to all who attend.

The Sunday school will give an entertainment in the evening at 7:30. There will be songs, class exercises, tableaux, etc. There will be a tree, of course, and the children will be remembered. But the children will also remember the sick and poor at the county hospital by bringing jellies and canned fruits. These will be sent to the hospital in time for Christmas. All who come are invited to share in this worthy giving. A call has come from Christian workers in this institution for these things. The Sunday school meets at 9:45. A full and prompt attendance is desired. The Endeavorers meet at 6:30 p. m.

A cordial invitation is extended to all to attend any or all services.

MOVES OFFICE

H. E. Voorhies, well known real estate dealer in Torrance, has moved his office to the Consolsick building in Los Angeles.

Mr. Voorhies states, however, that he will continue to handle Torrance properties, but feels that he can better serve his local clients by operating from his Los Angeles office.

THE WOMAN OF IT

It was after dinner and the talk had turned to psychology. This disturbing question had just been put: "When does old age really begin?"

To establish a formula was proving rather difficult, when one lady, who did not look her years, found the following:

"To me, old age is always 15 years older than I am."
