## RAMONA ACRES AT PASO ROBLES \$50 and \$75 per acre Terms to suit yourself

Felks, I am offering you land at a price never heard of. People have paid \$125 per acre for land not better, and I think not as good as Ramona Acres, in the same location.

In the last couple of months I have sold over 400 acres to local people, some of whom have moved on the property, and a good many are going to move very soon.

We all know that the Paso Robles district has the best opportunities. It has the largest and most fertile area of land in California where one can grow almost anything without irrigation. For poultry raising, too, there is no better section.

### OIL PROSPECTS

It is known by a good many leading oil men that an oil field will be opened in this section in time to come. The Union Oil Company of California has bought 1900 acres near Ramona Acres. Several leases have been taken up lately for oil prospecting, so do not miss this opportunity to get hold of ten acres or more at these low prices.

### FREE INSPECTION TRIP

Will take you to the property and back free. You can make reservations from the photographs which I have taken of each individual piece of land until you have the opportunity to look it over and if not satisfied exchange it for any unsold tracts.

# L. OTT Announces the Purchase of Two Additional Meat Markets

In order to better serve the ever-increasing customers of the ROCK BOTTOM MEAT MARKET, we have taken over

1. The Meat Market at Paige's Grocery 1220 El Prado and
2. Harry Warren's Meat Market at W. A. Renn's, Carson St.

The above markets will be operated in addition to our present market in DALEY'S store on Cabrillo Ave.

You can now go to whatever market is most convenient and be assured of getting ABSOLUTELY FIRST QUALITY MEATS. We will sell ONLY A-I FIRST QUALITY STEER BEEF, which, as you know, has 25 per cent MORE food value than cow beef.

The new market in Paige's store on El Prado Street will be operated as a STRICTLY CASH MARKET, the same as our market in DALEY'S STORE.

Customers at the market in W. A. Renn's will be afforded the privilege of paying their bills each pay day if they so desire. Deliveries will be made from this market, ONLY.

# L. OTT

## Rock Bottom Meat Markets

THREE MARKETS FOR YOUR CONVENIENCE

At Daley's 1639 Cabrillo	At W. A. Renn's 1951 Carson	At Paige's 1220 El Prado
-----------------------------	--------------------------------	-----------------------------

### Why I Bought These Markets

The purchase of these two additional markets will be a distinct advantage to every consumer in this district. By operating three markets, I will have a much larger buying power with the resultant reduction in price, which savings I intend to pass on to my customers.

The business at the market in Daley's store has been growing constantly, and the same policies of fair dealing, courteous treatment, top-notch quality, and ROCK BOTTOM prices will be carried out in all three markets.

L. OTT, Proprietor.

## Murray Goes East To Secure Capital

F. D. Murray left yesterday morning for Vermont to visit his father, who is 96 years old.

While in the East, Mr. Murray expects to interest sufficient capital to start drilling operations in Ramona Acres, near Paso Robles, according to a statement made today by I. Salsman, owner of the property.

## Avoid Fireworks Until July 3 or 4

Fire Chief Hannebrink is warning local boys and girls that it is unlawful to discharge firecrackers or other fireworks except on July 3 and 4.

The ordinance provides fines ranging from \$5 to \$50 for violations, and local authorities state that the law will be enforced. There is nothing in the ordinance, however, that prohibits the purchase of fireworks at any time.

## Patients at Hospital Like Treatment

Reports from the Jared Sidney Torrance Memorial Hospital, received as we go to press, state that Mrs. Sara Hamilton of 220th Street, Mrs. F. B. Hart of Sartori Avenue, Mrs. Pearl Cooper of the Hammett Tract, and Mrs. Barbara Proctor are all progressing nicely.

Enthusiasm over the treatment they are receiving, one or two of the patients say they'd really welcome a relapse—so their stay might be prolonged.

## Geo. Proctor's Mother At Torrance Hospital

Mrs. Barbara Proctor of Los Angeles, mother of George Proctor, president of the Torrance Chamber of Commerce, underwent an operation Monday at the Jared Sidney Torrance Memorial Hospital.

Mrs. Proctor is reported recovering satisfactorily.

Mrs. C. Chadwick of Los Angeles and Miss Mildred Boone of Muncie, Ind., were weekend guests of Mr. and Mrs. O. W. Hudson of Andreo Avenue.
