

Ker-choo!

Ker-choo! Ker-choo!
Are you sneezing?

That means you are in for a cold with headaches, fevers, chills, and all the other discomforts—UNLESS you hurry and take some of the Beacon Drug Company magic "COLD BREAKERS." Hundreds of people in this vicinity have learned how to ward off colds, just by "catching them in time." These simple little "Cold Breaker" tablets do the trick, and they don't have any ill effects, either.

If you already have a cold, Cold Breakers" will help you throw it off, and for your cough, take our Pine Tar Syrup. The two make a wonderful combination for fighting these nasty colds and coughs that are prevalent.

bids for doing the following work in said City, to-wit:

That Cedar Avenue, from the north line of Carson Street to the produced south line of the east and west alley in Block 37, of the Torrance Tract per Map Book pages 94 and 95, records of Los Angeles County, be graded at a width of thirty-five (35) feet on each side of the center line thereof, and that the roadway portion thereof be paved, with six (6) inch Cement Concrete curbs, and that cement concrete curbs and walks be constructed on portions of the same, and

That portions of Redondo Boulevard, from the east line of Cedar Avenue to the west line of Madrid Avenue be improved by the construction therein of cement and concrete curbs, and sidewalks, and that portions thereof be paved with six (6) inch cement concrete pavement, and

That Beech Avenue, from the north line of Carson Street to the south line of Maricopa Street, and That Acacia Avenue, from the north line of Carson Street to a point one hundred thirty-five (35) feet north of the north line of Sierra Street, and

That Maricopa Street, from the east line of Cedar Avenue, and That Sierra Street, from the east line of Cedar Avenue to a point one hundred thirty-five (35) feet north of the east line of Acacia Avenue, and

That El Dorado Street, from the east line of Cedar Avenue to the west line of Madrid Avenue, and That Sonoma Street, from the east line of Cedar Avenue to the west line of Madrid Avenue, be graded and that the roadway portions thereof be paved with five (5) inch oil Macadam pavement and that cement concrete walks and curbs be constructed thereon, and

That portions of Carson Street, from the east line of Cedar Avenue to the east line of Madrid Avenue, be graded and paved with asphaltic concrete pavement and that cement concrete walks and curbs be constructed thereon, and That portions of said streets, as hereinabove bounded, excepting the Carson Street, be improved by the construction therein of certain sanitary sewers and appurtenances, and

That portions of the alleys or all of the alleys as shown on the plans therefor, in Blocks 53, 54,

55, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, and 72 of the Torrance Tract, hereinafter mentioned, be graded and portions or all of the alleys in Blocks 62, 64, 65, 80, 88, 89, 90, 91, an 92 of said Torrance Tract be improved by the construction of sanitary sewers, and all appurtenances.

That all of the said work or improvement hereinabove mentioned or described, be done at the places, to the extent and in the manner shown on the plans, profiles, and detailed drawings therefor, on file in the Office of the City Engineer of said City, and in accordance with Specifications No. 25, on file in the office of the City Clerk of said City.

All of which plans, profiles, detailed drawings, and specifications are hereby referred to for a more particular description of the said work or improvement and by reference thereto are hereby made a part hereof.

The grade to which the said proposed work shall be done or said improvement made shall be such as is shown upon the plans, profiles, and reference is hereby made thereto for a description of such grade.

For further particulars reference is hereby made to said Resolution of Intention No. 266, and to Specifications No. 25, on file in the office of the City Clerk of said City. Said Specifications are also posted near the City Council Chamber door.

All proposals or bids shall be accompanied by a check payable to the City of Torrance certified by a responsible bank for an amount which shall not be less than ten per cent of the aggregate of the proposal, or by a bond for the said amount and so payable, signed by the bidder and two sureties, who shall justify, before any officer competent to administer an oath, in double the said amount, and over and above all statutory exemptions.

Said sealed proposals or bids shall be delivered to the clerk of the Board of Trustees of said City on or before 7:00 o'clock P.M. on Monday, the 18th day of January, 1926, said time being not less than ten days from the time of the first publication or posting of this notice. Bids will be opened on said day and hour.

A. H. BARTLETT,
Clerk of the Board of Trustees of the City of Torrance
Dated December 29, 1925.

NATIONAL SHOW WEEK
JANUARY 9-16

Exhibiting the Improved Ford Cars and Featuring the latest Ford Equipment

From January 9 to 16 all Ford Dealers will hold a National Show—exhibiting the improved Ford cars and featuring the latest Ford equipment.

This will be the finest display of Ford passenger cars the public has ever seen. It will give you an entirely new conception of the beauty and utility of the various Ford body types. Even if you have already made a careful inspection of the improved Ford cars, you should see this Display—for it is something entirely new.

The Show will begin Saturday morning January 9, and will last until Saturday night, January 16. Be sure to see it!
