

Paving Contractor Granted Extension

Oswald Brothers were granted a 60-day extension on their contract for the paving of streets in the Carson street-Cedar avenue district, when Acting Mayor Tom Foley and Street Superintendent William Gascoigne told the trustees that the contractor had experienced considerable delay on the job on account of the difficulty in getting materials across the heavy sand.

Mrs. Anna Vizeau of Detroit, Mich., arrived in Torrance Saturday evening to make her home with her daughter, Mrs. E. Gilberts.

A class of about twenty members received the sacrament of first holy communion Sunday at the Catholic Church here.

Royal Neighbors' Cooked Food Sale

The Royal Neighbors will hold a cooked food sale Saturday, June 12, at 10 a. m., at the Safeway Store. Why cook dinner Sunday when you can get it prepared so deliciously?

The cake contest which was to have been held last Monday by the cooking class of the evening high school has been postponed to Monday evening, June 14, at 7 o'clock. Everyone is cordially invited to enter. A number of prizes are to be given.

A special meeting of the American Legion Auxiliary will be held at the home of Mrs. C. B. Bell on Marcelina avenue Monday night, June 14, at 7:30.

Real Scotch Economy in Mileage Test

Finish of the Economy run in which a Star car using Macmillan gasoline made a record run from Long Beach to Anaheim. The distance, twenty-six miles, was traversed on three quarts of gasoline. The driver of the car, Miss Ella Thompson, beauty prize-winner, is showing Robert MacGregor, veteran Scotch bagpiper, the improved fuel tank used for this run.

LONG BEACH.—Once more has the reputation of the "Scotch" for frugality been sustained, this time by an economy run of colorful character made with Macmillan gasoline.

Twenty-six miles on exactly three quarts was the high gas mileage average made with the Scottish plaid painted Macmillan powered Star car which last week made the

"stinky run" between Long Beach city hall and the "Auto Salon" of the Valencia Orange Show at Anaheim. Starting from Long Beach with but one gallon of Macmillan gasoline—in a visible extra tank on the running board—the tank still contained exactly a quart when the trip was completed.

The car was a strictly stock Star car from the Star distributors in Los Angeles, and was piloted by

a novice driver—Miss Ella Thompson, prize-winning beauty known as the "Clear Lake Beach Peach." Miss Thompson was garbed in Scottish kilts; Bob MacGregor, veteran Highland Scottish piper, played bagpipe music along the way and at the start and finish; and the car was painted in true Macmillan tartan plaid colors and bore the mystic Macmillan Gaelic word "Calleann."

SCHOOL NEWS

HIGH SCHOOL

Laughter and glee filled the air Saturday evening, June 5, as the juniors and seniors celebrated the success of the past year with a glorious banquet. Speeches and music were enjoyed. The junior high orchestra is to be praised for the delightful music. The juniors, and indeed all who attended the banquet, appreciate very much the kindness of members of the Women's Club in making it possible for them to have it in such delightful surroundings, and especially want to thank the women who worked so hard in the kitchen. The sophomore girls made very acceptable waitresses and seemed to enjoy their no wine of work. All in all this event will be remembered for a long time.

A Student Body meeting was held Wednesday, June, called to order by the president, Harold Romine. One of the interesting subjects discussed was a Student Body ticket. If this idea is adopted the ticket will include subscription to T. N. T. and admission to all games. This will do away with "drives" and enable the students to know beforehand just what they are to be

called on to give. Another topic for debate was the citizenship record. This system is coming into use in many schools and has worked well. The council, with Mr. Wood, have made a study of the idea as evolved by a number of schools, and a system has been worked out for Torrance High. Points may be lost, but there are numerous ways in which credits may be gained, and thus some recognition for service to the school may be gained. This citizenship record may be used after graduation as a help in college entrance or in securing a position. These will come before the students in the form of amendments on election day, Wednesday, June 9.

The student body is delighted with the music racks that Kenneth Kink, Leslie Bozeman, Melvin McFarlin and Alfred Janssen have made for the orchestra. The racks make it much more enjoyable for the orchestra, since the old ones were very weak in spots.

ELEMENTARY SCHOOL

The A6 class will have a picnic and party combined next Tuesday at Exposition Park. The teachers are furnishing the luncheon and the parents are asked to donate cars for transportation.

The first aid team of the sixth grade won first place in the district

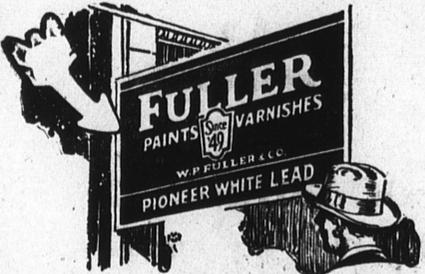

meet-held here Monday. Miss Hawkins, teacher of the sixth grade, was in charge. This victory entitles the Torrance boys to compete in the city-wide meet to be held in Los Angeles Friday at Lafayette Park. Several handsome trophies are offered to the winners of this meet by the Automobile Club of Southern California, and as there is only one school with more credits than Torrance it is expected that our boys have an excellent chance of bringing home a prize.

On Wednesday the teachers will have a swim and picnic after school at Redondo.

Miss Anna Klemm will leave for Oregon this summer, and her place will be filled by Miss Juliette Young.

The ball game last Thursday between Torrance and Gardena was played at Gardena and resulted in a score of 23-20 in Gardena's favor. A return game will be played on the home grounds this week, and our boys hope to win this time.

Mr. Bell attended a meeting Tuesday of the Harbor Section of the Principals' Club, of which association Mr. Bell is president. After dinner at the Meyer Street School in San Pedro the members enjoyed a boat ride around the harbor.

Here's the sign of a reliable Paint Dealer

When you need paint, look for the store that displays the green and white Fuller Sign. You'll get good paint, of course, but in addition you'll get the services of a reliable merchant who knows paint, and can give you valuable suggestions for its use. The Fuller Dealer nearest you is listed below. The next time you need paint, make his acquaintance and ask him for the Fuller Books.

These Dealers Sell Fuller Paints and Varnishes
