TOWNE TALK

"Just for Fun"
By RAS BERRY

They were two of the boys in town over Sunday that lost their bearings.

One of them was Al Bond, who looks so much like Bill, the Barber. Al he started out Sunday for somewhere to take a drive and I guess he forgot to put oil in that old hack of his and he burned out a main bearing and didn't get back home until late Monday afternoon.

Al he smoo drove a car like mine, but got flousy and buys another one. He is the guy that built a \$400 garage for a \$200 car. Maybe he will learn some time to take a good mechanic's advice about his horseless carriages.
