STRENGTH

THE STRENGTH of a bank is represented by its capital and surplus, the character of its resources, the ability and integrity of its management, and its prestige in the community. Bank of America enjoys the above qualifications in a dominant way. It is one of the strongest banks in the United States.

We are indeed grateful to the good people who make up the big congregations at our "home church" during these hot summer days. Rev. Cooper made a big hit last Sunday. Next Sunday another wonderful evangelistic sermon by Rev. C. A. Nethery from Salton's Rest Mission, San Pedro. Don't miss it.

ATTEND SERVICES SUNDAY

LUTHERAN Members and friends of the Torrance Lutheran Church attended the second annual mission festival of the First Evangelical Lutheran Church of Inglewood last Sunday, both in the morning and in the afternoon. Delegations were also present from Long Beach, Compton, and several Lutheran churches in Los Angeles. The morning service was conducted by Rev. W. Lange of Inglewood and Rev. E. Leisner Jr. of Compton, the former officiating at the altar and the latter in the pulpit. The sermon by Rev. R. Leisner Jr. on the subject, "The World's Greatest Enterprise," was forceful and convincing. Immediately after the morning service the worshippers went to Liberty Park, where basket lunches were eaten. The afternoon service began at 2 o'clock. Rev. J. H. Peters of the Messiah Evangelical Lutheran Church of the Manchester district in Los Angeles delivered the afternoon address, "The Shall Rule America—A King or a Prince?" Miss Ida Hossler of Graham, Lutheran Sunday School organizer of the California district, was also present. The Torrance congregation has invited the neighboring Lutheran congregations for a similar service to be held in Torrance some time in the coming weeks. Regular services at the Torrance Theatre this coming Sunday morning at 9 o'clock. Rev. W. Lange will be in charge.

Prayer meeting every day at 2:30 p. m. Divine healing instruction class Friday at 2:30 p. m. Friday night the summer Bible school will put on the closing program, a big feature, "Is the Bible Man's Book?" Saturday at 9 a. m. meet at the tent and go with us to Redondo Beach, where we are holding our big picnic. Everybody welcome.

RUPTURE EXPERT HERE

F. H. Seeley of Chicago and Philadelphia, the noted expert, will personally be at the Rossmore Hotel and will remain in Santa Ana Thursday and Friday only, Aug. 19-20. Mr. Seeley says: "The Spermatic Shield will not only retain any case of rupture perfectly, but contracts the opening in 10 days on the average case. Being a vast advancement over former methods—exemplifying instantaneous effects immediately appreciable and without any strain or position to matter the size or location. Large or difficult cases, or incisional ruptures (following operations) specially solicited. This instrument received the only award in England and in Spain, producing results without surgery, injections, medical treatments or prescriptions. CAUTION—All cases should be cautioned against the use of any elastic or web truss with under- straps, as same rest where the lump is and not where the opening is, producing complications necessitating surgical operations. Mr. Seeley has documents from the United States Government, Washington, D. C., for inspection. He will be glad to demonstrate without charge or fit them if desired. Business demands prevent stopping at any other place in this section. N. B.—Every statement in this notice has been verified before the Federal and State Courts—F. H. SEELEY. Home Office 117 N. Dearborn St. Chicago.
