CHURCH NEWS

ATTEND SERVICES SUNDAY

METHODIST EPISCOPAL

Rev. A. Lyall, pastor.

On Sunday morning at 11 o'clock the theme will be "Maintain the Spiritual Glow." There were more new faces in our congregation last Sunday. Newcomers find their way to church and reverently worship with us. No forcing of any kind upon visitors; just a sincere handshake upon leaving. If there is some reason why you have not attended church for some time, will you try worshipping with us? Come and hear a sermon preached without notes—something for your mind or your heart. Bring the other members of your home with you. Come early and get a front seat.

Evening worship at 7:30. The topic will be "The Advancing Church." The service is preceded by 15 minutes of music and song. Sunday School, 9:45. Classes suitable for every individual, young and old.
Epworth League, 6:30. The young people, enthusiastic and alive, are discussing "Foundations." Come and take part with this group.

coming once come back again. All former Methodists heartily welcome at each service.

Again in 1926, more Buicks toured through Yellowstone Park than any other car except the one of lowest price. Buick has held this same honor every year since the Park was opened to automobile travel.

Here is convincing evidence of Buick reliability—striking proof of the faith which Buick owners repose in their car.

This glass measuring cup FREE

Next Friday and Saturday at any of the stores listed below—this extra strong, accurate measuring glass will be given free with the purchase of a 2 lb. can of FLUFFO Shortening or a 1 quart can of FLUFFO Salad Oil. Tell your grocer you'll be around for yours!

YOUR grocer is a man of courage. Have you ever thought of him in that way? It doesn't take any courage for a storekeeper to have in stock the same old things and the same old brands, year after year—without change or progress. And that man's customers aren't getting any improvements in food making, or any new ideas of food goodness. But grocers like those listed below, believe they are in business to give you the advantage of every inch of progress—in the making, selling or serving of the things you put on your table. That's what takes the courage! It means risking a step out of the beaten path. It means putting money into products believed to be better, in the hope that you will find them to be better.

These, for instance, are the grocers who have put FLUFFO on their shelves—for your benefit. They know, from years of experience, what qualities make a good, healthful shortening. And they discovered that all those qualities are at their best in FLUFFO. This week these same grocers, are making another move for your benefit. Next Friday and Saturday any one of the stores listed below will give you ABSOLUTELY FREE a graduated measuring cup of extra strength, clear pressed glass, with the purchase of a 2-lb. tin of FLUFFO Shortening or a 1-quart can of FLUFFO Salad Oil. The number of measuring cups is limited. Better tell your grocer today to reserve one for you. Then be sure to make your FLUFFO purchase next Friday or Saturday. The offer holds good on those two days, only.

FLUFFO, a pure vegetable shortening, is as light and fluffy as whipped cream. That's why it mixes easily and thoroughly into the dough without so much beating and stirring. Unexcelled for baking or frying, or for any kind of cooking where a cooking fat is required.

FLUFFO Salad Oil, a highly refined, delicate vegetable oil suitable for all kinds of salad dressings. Especially suitable for deep fat frying, because, like, FLUFFO Shortening, it does not smoke or burn at frying temperature.

Here are the grocers who will have a FLUFFO cup for you Next Friday & Saturday
