## Let Electricity do more for you in 1927

THINK of the many ways electricity could have been used to lighten your work last year—then plan to use this servant more in 1927.

**What is a Wife's Time Worth?**

BRUCE BARTON asks this question in one of his speeches. He thinks a wife is worth more than 3 cents an hour. So do we.

That's why we say "use more electricity." You can't afford your own muscle-power for housework when electricity is so cheap.

### L. A. District Head Speaks in Torrance

Mrs. James Birney Lorbeer, president of the Los Angeles district, C. F. W. C. was the speaker at the Women's Club Wednesday afternoon. Choosing for her subject: "Upholding America's Ideals," Mrs. Lorbeer spoke in an interesting manner of the Biennial Convention of the Women's clubs held in Atlantic City last summer.

A rare musical treat was given the club when Mrs. Vivienne Mosehouse of Pasadena and a member of the A'Capella Choir, accompanied by Mrs. J. M. Fitzhugh, sang: "Morning," by Spieks; "Homings," "Beloved It Is Morn" and "I Passed by Your Window."

A communication from the Torrance Relief was read thanking the club for the offer of a room to meet in but owing to the sewing having to be carried back and forth it was found not practical to use the room.

Mrs. Brady Wolfe gave a report on the President's Council held last week at Pasadena and Mrs. Frank Steinhilber told of the costume dance that the club will give on February 22. This being Washington's birthday the affair will be of a colonial nature altho other costumes are admissible.

The stage was decorated with ferns and sweet peas as were the tables at the luncheon that preceded the club session.

Luncheon guests Tuesday of Mrs. Fred Lessing were Mrs. C. Abbott and Mrs. R. A. Allan, of Los Angeles.
