LUTHERAN LADIES OBSERVE ANNIVERSARY

The Ladies Aid and Missionary Society of the First Lutheran Church of Torrance held a social meeting at the American Hall on Border Avenue last Thursday afternoon to observe the first anniversary of the organization. It was a joyous occasion, there being 52 members and friends present. A caravan of five cars brought 13 Lutherans from the sister organization in Inglewood. A pleasing program was presented by the members of the local aid. A pretty color scheme of the so-

ciety's colors, pink and green, was carried out in the decorations. After the program the ladies were seated at a table extending practically the width of the hall, where they enjoyed delightful refreshments. The society's birthday cake adorned the middle of the table and was baked by one of the members, Mrs. C. E. Conner and decorated by another member, Mrs. Pierce. The ladies on this festive occasion observed not only their first anniversary but also the 75th anniversary of their oldest member, Mrs. Valentin, mother of Mrs. C. E. Benzel of Androp Avenue. Mrs. Valentin was given the place of honor at the table. She received congratulations and good wishes from all present. Before the ladies adjourned they

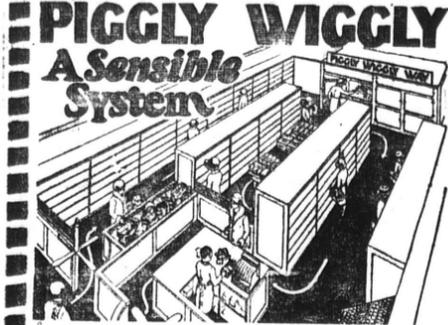

presented Mrs. L. C. Miller with a beautiful flower vase as a token of appreciation for her valuable services rendered in the year that just closed.

DOUBLE BIRTHDAY PARTY IS ENJOYED

The Birthdays of L. S. Blackwell of Tacoma, Wash., and Arthur Kaiser of Venice were the inspiration of a double celebration Sunday at the home of Mr. Blackwell's uncle and aunt, Mr. and Mrs. Edward Lynch, of 218th Street, where Mr. and Mrs. Blackwell are house guests.

Though it was the usual thing back in Alexandria, Minn., to celebrate their natal day together, the

affair Sunday was the first time in 25 years. An elaborate dinner, with a beautifully decorated cake was served at 6:30 to Mr. and Mrs. Blackwell; Mr. Kaiser, Mrs. E. Kaiser, Venice; Mrs. Nolan, Santa Ana; Mr. and Mrs. C. Dawson, Los Angeles; Mr. and Mrs. Gay McDonough, Keystone; Mr. and Mrs. Jamison, Beverly Hills, and Mr. and Mrs. Lynch. **POLICE AND FIREMEN DANCE WEDNESDAY** The Torrance Volunteer Fire Department and the Torrance Police Department gave an invitational dance and reception at the City Hall Wednesday night, January 26. Each member of the two departments invited one couple. Admission was by card.

Do You Know?
The Government spends thousands of dollars to test and examine cows to see that the milk is fit for human consumption—but why do they not test and examine the people who handle this same milk and other food products for the same disease spreading germs? Piggly Wiggly is one of the very few firms who carry this work on even further than the Government requires by having all employees examined by registered and licensed physicians.
