"Ben Hur" Screen's Greatest Spectacle Coming to Torrance

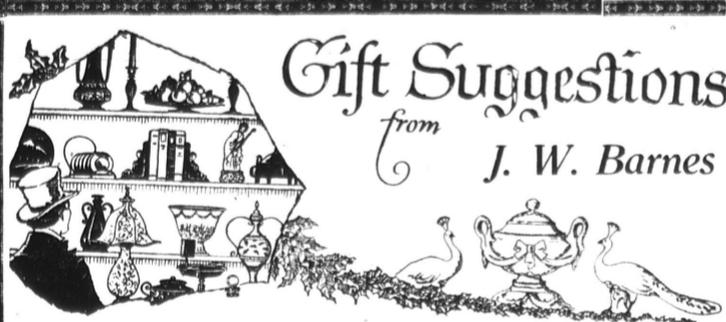

Ramon Novarro and May McAvoy in "Ben Hur"

The first opportunity to view in motion and color the magnificent Low Wallace classic of "Ben-Hur" comes to the Torrance Theatre Monday and Tuesday, where Metro-Goldwyn-Mayer's \$4,000,000 picture in arrangement with A. L. Erlanger, C. B. Dillingham and F. Ziegfeld, Jr. will be presented. The novel, sub-titled "A Tale of the Christ," was the world's most popular book; the stage spectacle toured America for twenty-two years. Now, in the greater art of the motion picture, are offered the famous Sea Fight and Chariot Race as thrilling out-of-doors events; the romance of Judah, Prince of Hur, and Esther; and replicas of Old World masterpieces, often in color. We see the beautiful Procession of Palms; da Vinci's "The Last Supper," a marvelous color replica; "The Pool of Siloam," and the Vale of Hinnom, the Via Dolorosa, the miracle of Christ's healing the mob and Pontius Pilate; the terrific cataclysm of nature that toppled towers and palaces at the death of the Saviour. The final scene with Roman soldiers casting lots for the garments and the women kneeling at the foot of the cross is said to be the most reverent and beautiful ever staged. "Ben-Hur" is presented with a magnificent cast that includes such stars of the picture firmament as Ramon Novarro, Betty Bronson, May McAvoy, Francis X. Bushman, Carmel Myers and 150,000 others in support. Novarro's performance as Ben-Hur is a surprisingly vigorous and dramatic portrayal, even to his most ardent admirers. Bushman is an excellent Messala, and May McAvoy as Esther is wholly delightful. Of equal excellence is the entire cast.

"An Announcement of Great Importance to Torrance"

The Largest Raw Milk Dairy on the Pacific Coast Is Now Located In Torrance!

WE have been working for months to announce the opening of this model dairy, which is not only the largest, but we believe, the cleanest and most modern raw milk plant on the Pacific Coast.

No expense has been spared—not the slightest detail overlooked. In a word, this new TORRANCE DAIRY is the result of everything we have learned from breeding cows to sterilizing bottles in the twelve years we have operated our Inglewood plant.

VOORHEES PRODUCTS

Rated High by Health Board

During the 12 years the Voorhees Dairy plant in Inglewood has been in operation, it has enjoyed the highest ratings by the County Board of Health. Last month, VOORHEES Milk was listed in the A-1 class, or the 95-100% pure. In this new Torrance Dairy, it will be much easier to maintain this high rating.
