The Most Acceptable Gift to Send Back East

1304 Portola Ave., Torrance, California, Dec. 5th, 1927.

De Bra Radio Co., Torrance, California.

Gene De Bra,

Dear Sir:

We have used one of your Model 6H Kolster Power Cone speaker sets for about one month, and have had wonderful results.

In our opinion there is not a set on the market that combines the beautiful tone quality and brings in the distance this set does.

Following is a list of stations received during the past month:

Vancouver, B. C., CNRV	Shenandoah, Iowa, KMA
Havana, Cuba, PWX	Clay Center, Neb., KMMJ
Chicago, Ill., WJBT	Minneapolis, Minn., WCCO
Chicago, Ill., WBBM	Cincinnati, Ohio., WLW
Forth Worth, Tex., WBAP	Whippany, New Jersey 3XN
Detroit, Mich., WCX	(Exp. Sta. Bell Telephone Lab.)
Pittsburgh, Pa., KDKA	Shreveport, La., KWKH
St. Louis, Mo., KMOX	Jefferson City, Mo., WOS
State College, New Mex., KOB	Chicago, Ill., WIBO
Boise, Idaho, KFAU	

—not to mention various stations throughout Washington and Oregon which we have logged.

Again let us say this set is a real distance getter and it is unnecessary to GET INTO THE SPEAKER to hear them as these stations come in with a volume that can be heard all over the house.

Thanking you for the good service rendered us in connection with this radio set, we are,

Yours truly,

S. R. BILLINI.
ELSIE TEAL BILLINI.
