Throongs Attend Dodge Opening

2000 View New Show Room; Company Enthused at Reception

Between 1500 and 3,000 admiring residents of the Torrance and Lomita districts attended the dedication of the new Allen H. Paull building, home of Dodge Brothers cars and Graham Brothers trucks last Saturday night. Never before in Torrance has any business institution opened with such a throng of people present.

The public was enthused over the beauty of the splendid new sales room and enjoying the refreshments and dancing to music furnished by the Nighthawks.

The importance of this territory to the Dodge organization was evidenced by the fact that among those present at the opening were F. S. Albertson and Myron C. Albertson, president and general manager, respectively of the Albertson Motor Company, Dodge and Graham distributors in Southern California. Both of these officials were more than pleased with the new building and the interest displayed by the public.

Mr. Paull wishes to thank the many friends who sent the beautiful flowers which enhanced the already attractive showrooms. He also expressed enthusiasm over the results he obtained in advertising the opening through the medium of The Torrance Herald and The Lomita News. Mr. Paull wishes to express public appreciation for the piano furnished by the Wuritzer Music Company, the chairs from Stone and Stern and the Koster radio set from the DeBra Radio Company.

W. J. Dieman, manager of the branch here, serving Torrance and Lomita declared today that crowds continued to visit the new building Sunday and every day this week.

"We are highly gratified at the interest shown by the people here in our new building and Dodge Brothers and Graham Brothers products," he said. "It proves once more what we have known right along—that this territory deserves just such a sales and service room as the Allen H.
