Hugh W. Lawrence

says:—

"Work, not politics, should be the watchword of public officials."

"Team work, or co-operation, of public officials and the people is the thing that makes great cities, counties, states and nations."

"Eliminate duplication of expense in public offices of Los Angeles county."

"Humanize the county government. The people directly affected should be consulted on all public matters."

"Build within the limits of bond issues. Don't start a project and then dip into tax levies to complete it."

Mr. Lawrence, mayor of Inglewood, is candidate for supervisor from the fourth district.

CHRISTIAN SCIENCE CHURCHES

"Life" was the subject of the Lesson-Sermon Sunday, July 15, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The citations which comprised the Lesson-Sermon included the following from the Bible: "Labour not for the meat which perisheth, but for that meat which endureth unto everlasting life, which the Son of man shall give unto you: for him hath God the Father sealed." It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life." (John 6)

The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Christ, the Science reveals the necessity for overcoming the world, the flesh, and evil, and thus destroying all error."

"Seeking is not sufficient. It is striving that enables us to enter. Spiritual attainments open the door to a higher understanding of the divine Life." (p. 10).
