Torrance Auxiliary Costumes
Make Hit at Convention

Five hundred eighty-two delegates from 270 units of the American Legion Auxiliary were registered at the recent convention held at Stockton.

Delegates from the Torrance unit were Mrs. Annie Greiner, Mrs. Dorothy Harder, Miss Corista Reeve, Mrs. Ethel Bowker, and Mrs. Mary Harder and Mrs. Eloda Barksdell, alternates. They were dressed in effective costumes of white with capes lined with blue and Torrance in large blue letters on the back of the capes.

The costumes caused much comment at the convention and proved

to be a good booster for Torrance. The delegates were kept busy answering questions as to the location and industries of the city.

Officers elected at the convention for the coming year are: Mrs. Alice Gill of San Francisco, president; Mrs. Margaret Kaeding of Glendale, 1st vice president; Mrs. Buell of Hanford, 2nd vice president; Mrs. Bernice Keyes of San Diego, 3rd vice president; Mrs. Ethel Flynn of Hayward, secretary-treasurer; Mrs. Ethel Hearst of Los Angeles and Mrs. Matilda Allison of San Francisco, national committeewomen at large.

OBSERVATIONS

(Continued from Page 1)

that vile harvest we call wild cats? Will you let him come, taking your place, gaining through your experience, hallowed through your joys, building on them his own, or will you fling his hope away, decreasing wanton-like that the man you might have been shall never be? For the same hand that made the world and the ages, created also the men in whose hands the final outcome of the wayward centuries finds its place within the Kingdom of Heaven."

Judges who have served you well

It is your DUTY

...not only to VOTE
but to VOTE WISELY

to help you... the members of the...

Los Angeles BAR ASSOCIATION

have endorsed the following judges

For Judges of the Superior Court

Table with 3 columns: Office No., Name, and Endorsement (X). Lists candidates like Victor R. McLucas, Edwin F. Hahn, William C. Doran, etc.

WHY YOU SHOULD FOLLOW THE BAR ASSOCIATION ENDORSEMENT

- 1. These eighteen endorsed candidates are now serving you well on the Superior Bench.
2. They have been largely responsible for speeding up the trial of cases so that a case may now be tried in Los Angeles County in ninety days. A year ago it took fifteen months.
3. The expense of training judges is enormous. Why subject the taxpayer unnecessarily to this expense?
4. Stability is one of the cornerstones of our judicial system. Why shake this stability solely to satisfy personal ambition? Public welfare is far more important than private desire.
