"Unreality" was the subject of the Lesson-Sermon Sunday, October 7, in all Church of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.
The citations which comprised the Lesson-Sermon included the following Bible selections from James 3: "Doth a fountain send forth at the same place sweet water and bitter? Can the fig tree, my brethren, bear olive berries? either a vine, figs? so can no fountain both yield salt water and fresh."
The Lesson-Sermon also included the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" (p. 525), by Mary Baker Eddy: "Everything good in the world, God made. Whatever is valuable or beautiful, He did not make,—hence its unreality."
