Public Invited to See Notable Display at School Today

The program will include numbers by the girls' chorus, the orchestra, and a chorus of primary children.

Upper grade children have written compositions about famous pictures, and are posing in pantomime illustrations of the pictures. This is the first art exhibit the Elementary school has ever had, and the support of the community is urged.

Helen Wills Has Her New Buick—You Can Be Next If You'll Enter in the Herald-News Campaign

Home again from European and American conquests which have securely retained for her the title of the world's tennis champion, Helen Wills, has purchased a new Silver Anniversary Buick and plans a fall and winter of rest and recreation.

We are wondering who will be the fortunate local man or woman

to receive the Herald-News \$1495 Silver Anniversary Buick sedan as a reward for his or her ten week's work in their spare time. Hours during the ten weeks' circulation campaign.

Miss Wills' acquisition of a 1929 Buick adds another famous name to an already long list of Silver Anniversary model owners in the spheres of sport and art. A few

among the latter recently acquiring new Buicks are Travis Banton, style expert of the Paramount studios who acclaims the Silver Anniversary line "the new mode"; Connie Mack, veteran pilot of the Philadelphia Athletics, runners-up in the national league baseball race, and Clare Briggs, nationally famed cartoonist-creator of "Alp" it a Grand and Glorious Feeling."

Torrance Wins Slugging Bee From Fast Stage Outfit Sunday

Roughriding the Pickwick Stages nine from Los Angeles, Ed Tansy's local boys celebrated another victory on the C.-C. M. O. diamond Sunday when an eighth inning rally stowed away the game by a 9-1 score.

With Les Ferguson, the Des Moines hurler on the mound, Torrance played shutout ball for seven innings weakening only in the eighth when a freak double that skimmed the base line and a stolen base along with a sacrifice saved the visitors from a complete shutout.

The Stages led with the willow until the fateful eighth when Pitcher Brown, who uses the smoke ball went up in the air and then completely blew up. Bunched hits gave the Torrance boys two runs in the fourth when Wolf and Atwood crossed the rubber with plenty of time to spare. Yet the Stages who are ordinarily a tough team to beat proceeded to keep trying to tie the score but to no avail since they went out in the usual order. Torrance piling off two slugging double plays when Ferguson got into a tough spot in the fourth and sixth frames. The flashy playing of Torrance infield was a feature while Ferguson on the hill seemed to be little else but the old man "steadiness" himself holding the Stages to measly pop-outs while fanning nine.

Torrance will journey to San Pedro Sunday, Oct. 21 where they will meet the speedy Pacific Steamship team on the Pacific Ave. diamond.
