

"For We Walk By Faith, Not By Sight"

II Cor. 5:7

OUR MESSAGE

TORRANCE deserved a Mortuary, where the burden would be lightened for those who reach the path of sorrow by the passing of loved ones.

We have transferred from thought, to an actual realization of our dreams, such a place.

Every modern feature and appointment has been embodied therein. A Mortuary for your use, when the need arise.

There is extended to you and the members of your family and friends a most cordial invitation to visit and inspect the establishment.

To this end Friday, Saturday and Sunday, February 22, 23 and 24, have been set aside for the reception of our friends in this city and its environs.
