## Zenith Offer \$610 Radio for Suitable Slogan

Harvel's Urge Folks to Bring  
in Ideas for Automatic  
Set.

Somebody in California is going to receive a \$610.00 Automatic Tuning Zenith radio in exchange for a slogan that symbolizes the beautiful new model 39-A Zenith that has just been put on the market, according to advice received this week by Harvel's, local Zenith dealer.

The slogan must not be more than ten words, according to Harvel's, and should emphasize the automatic tuning feature of the new model Zenith.

Other details of the slogan contest are given in Harvel's display advertisement in this issue, or may be learned by calling at the studio, 1618 Cravens avenue. The details will also be given over KFRG and KTLN on Saturday evening from 8:30 to 10, and on Sunday evening from 9 to 9:30 in the Zenith radio program.

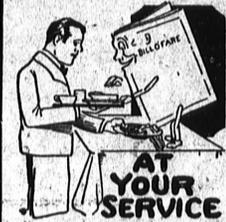

"Someone from Torrance is just as liable to win this wonderful new \$610 Zenith radio, as anyone else," says Harvel, "wouldn't it be a good advertisement for our town if they did."

All slogans must be turned into Harvel's before midnight of March 11, the winner being announced on March 20.
