## Free Air Rides Offered Public by Dodge Agency

Special Display of Lincoln-Paige Plane With Dodge Brothers Sixes

"Come take a ride in my airplane, Free!" that's what Len Murray of Paul & Murray will be saying next week to purchasers of new and used automobiles from the popular Dodge Brothers dealers on Cabrillo avenue.

**Here's How**  
A fine new Lincoln-Paige plane has been placed on display in the Paul & Murray salesrooms in Torrance by the Dyer Airport, Los Angeles distributors for the Lincoln-Paige planes. The new plane is the last word in air travel, according to air fans and is well worth seeing.

Realizing that as soon as spectators get a glimpse of this fine new plane, they will want a flight, Len Murray has arranged with the Dyer Airport to give every purchaser of a new or used car during the coming week, a free flight, covering 10 miles above the city and beaches. The plane will take off from a government licensed field and be operated by a licensed pilot. Passengers are assured a safe and enjoyable ride through the air.

Paul & Murray report some excellent business during the recent months and this special aeroplane offer is given in a spirit of progress. As Len Murray says, "The exhilarating thrill of soaring above the clouds can easily be compared with the easy riding and powerful speed of the new Dodge Brothers cars."

A complete showing of the Dodge Brothers Sixes and popular priced Plymouth cars will be on exhibition all next week and the Torrance salesroom at 1429 Cabrillo avenue will remain open every evening during this special one week offer.

**New Dodge Owners**  
Among the recent purchasers of cars from the Paul & Murray agency are: Mr. and Mrs. Wanda Stafford, who enjoyed their honeymoon in a new Dodge Brothers Six; J. S. Tolson, whose transportation experiences run back to the old "Dobbin" days; Vonderhale Realty company, Ross Barkdull, butcher, Harry McManus of the Union Tool, Don Baxter of Baxter & Collins, George Worcester, Louis Smith of California Oil Tool company, Jack Beamer, fireman and policeman, Mrs. Alice Thomas, real estate, A. H. Bartlett, city clerk, Ed. C. Nelson, banker, Alfred Evans, Bob Porter and Palmer Brothers, all of the Columbia Steel plant, and last but not least, "Andy" Gascoigne, street superintendent of the City of Torrance.

## Plaza Hotel Now Has 40 Modern Rooms

Local Contractors Complete Enlargement of Fine Structure

On another page of this issue appears a picture of the recently enlarged Plaza Hotel, 1720 Cabrillo avenue. This fine new hostelry now has 40 rooms, handsomely furnished and modern in every respect. It is a fine compliment to Torrance and the owners, Messrs. Conner & Kerber; as well as the local contractors who participated in the remodeling and enlarging.

P. O. Guy was the general contractor. Other contractors were: Plumbing installation and fixtures, Torrance Plumbing Company; Lumber, Mullin-Hayes Lumber Co.; Electrical wiring and fixtures, Two Macks Electric; Plastering and stucco, Chas. M. Wyne.

A new store room and laundry were also built in the new addition. The Plaza is now welcoming transient as well as permanent guests.

## Keystone Notes

One of the charming affairs of the past week in Keystone was the bridge luncheon held at the beautiful home of Mrs. George Simpson at Vermontville on Thursday. Mrs. Bert Dye and Mrs. Mae McKinley of Torrance were hostesses with Mrs. Simpson when they entertained the Thursday afternoon club. Vases of beautiful delphinium and yellow marguerites were used as the floral note carrying out the color scheme of blue and yellow in the floral appointments. Prizes in the bridge were won by Mrs. Harold Stanger for high score; Miss Virginia Watson, second; and Mrs. J. O. Moore, consolation. A delicious five course luncheon was served following bridge. The invited guests were Mrs. W. C. Dolley, Mrs. H. McManus, Mrs. Louis J. Smith, Mrs. A. Clark, Mrs. Harry Peebles, Mrs. F. B. Dilly, Mrs. Joe Haggard, Mrs. A. W. Melner, Mrs. Dillie A. Hodge of Lomita, and the hostesses, Mesdames Simpson, McKinley and Dye.

Mrs. George Nahmens and daughter Ruth will leave on Friday morning for a two weeks' motor trip to Yosemite National Park.

where they will spend their vacation. Mrs. Nahmens will accompany her brother-in-law and sister, Mr. and Mrs. Dwight M. Smith of Redlands. They will drive to Fresno, where another brother, W. H. Paxton and family will join them.

The graduating class of Carson street school held their class party on Tuesday with all the students of the room present, which includes seventh and eighth grades. The party this year was given on the school grounds in the form of a picnic and wiener roast. Mrs. Blanche E. Ritter, principal, and Mrs. Talitha Carleton are teachers of these classes.
