New Buicks Make Hit In Torrance

The 1930 Buick, introduced in Torrance for the first time July 27 in the show rooms of R. S. Flaherty, has been enthusiastically viewed by crowds ever since. The new cars, it is revealed, embody sensational advancements in both appearance and performance. The 1930 Buick line embodies three series and fourteen distinct models. Wheelbases in all three series have been lengthened and horsepower has been markedly increased.

BILLIE DOVE'S NEW FILM IS STORY OF AMERICAN GIRL

Billie Dove, the screen's greatest beauty, becomes an American Beauty again for her latest picture, "The Man and the Moment," a First National picture coming to the Torrance Theatre Sunday and Monday, August 11 and 12. After a number of pictures which took her to Europe, technically speaking, in which she played foreign roles, Miss Dove is again an American girl in "The Man and the Moment," which is from the pen of the famous Elinor Glyn. This is the story of an orphan girl who marries a man to escape the limitations put upon her activities by her guardian. The hectic experiences that follow make up a story of intense interest and with many dramatic experiences. Rod LaRocque, one of the most popular leading men in pictures, is seen opposite Miss Dove's blonde actress plays the "other woman." George Fitzmaurice directed "The Man and the Moment," which has been termed one of Miss Dove's greatest pictures. Its coming is awaited with interest here, where Billie Dove has a host of admirers.

of life in a war-torn country of the tropics and of the part played by the American Marines. It is "The Black Watch," coming to the Fox Redondo Monday and Tuesday, August 12 and 13, the rich voice of Mitchell Lewis, which Fox officials say has lost none of its resonance, will come as a pleasant surprise to those who have admired his work in silent drama. Wednesday and Thursday, August 14 and 15, the Fox Redondo will show Jack Mulhall in his latest all talking picture, "Twin Beds."

Fox Hermosa

"Noah's Ark," the huge spectacular picture, about which many stories have appeared in recent months, has now been released by Warner Bros. and will be seen at the Fox Hermosa on Friday, August 9. The cast of "Noah's Ark" includes Dolores Costello, as star, with George O'Brien, Noah Berry, Louise Fazenda, Guln Williams, Paul McCallister, Nigel de Bruijn, Anders Randolph, Armand Kalis, Myrna Loy, William V. Mong, Malcolm Waite, Noble Johnson, Otto Hoffman and Joe Bonomo. On Sunday and Monday, August 11 and 12, the Fox Hermosa brings Norma Shearer in "The Last of Mrs. Cheyney," a comedy drama of English society, in which Norma makes the most of her unobbed hair. "River of Romance," coming to the Fox Hermosa on Tuesday, August 13, depicts dashing, romantic, impetuous Charles "Buddy" Rogers in his newest all talking picture.

Fox Redondo

When people began to tell one another that James Hall was "the luckiest man in Hollywood," they were thinking of the quick success which had made him leading man for such screen celebrities as Bebe Daniels, Pola Negri, Clara Bow, and Esther Ralston almost as soon as he decided to leave the legitimate stage and try his luck in pictures. When he was chosen leading man for "Vilma Banky" in her first modern American girl picture, "This Is Heaven," which comes to the Fox Redondo theatre on Friday and Saturday, August 9 and 10, Hollywood was convinced that he was the luckiest man in the place. The Sunday show, August 11, at the Fox Redondo is "From Headquarters," starring Monte Blue, and is said to furnish a perfect picture.
