CHRISTIAN SCIENCE CHURCHES

"Work out your own salvation with fear and trembling. For it is God which worketh in you both to will and to do of his good pleasure." This counsel of Paul to the Philippians was the Golden Text in the Lesson-Sermon on "Doctrine of Atonement," Sunday, October 20, in all Churches of the Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The Lesson-Sermon consisted of Scriptural citations and correlative passages from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

One of the Bible texts cited these words of Paul to Timothy: "I have fought a good fight, I have finished my course, I have kept the faith; henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous Judge, shall give me at that day; and not to me only, but unto all them also that love his appearing."

A correlative selection from Science and Health presented the following statements of Mrs. Eddy: "If Truth is overcoming error in your daily walk and conversation, you can finally say, 'I have fought a good fight... I have kept the faith,' because you are a better man. This is having our part in the at-one-ment with Truth and Love."
