Torrance School Notes

TORRANCE HIGH
Woodshop classes under the direction of Mr. William Burk, instructor, are building the ceiling for the stage set to be used in the senior class play, "The Thirteenth Chair," to be given on Friday, December 13.
The ceiling is not permanent, and may be used in other sets for future use.
A roll of tickets, each bearing the name of Torrance high school, has been purchased. These tickets will be used as gate tickets for admission to athletic events, auditorium door sales, candy and ice

cream tickets, and for other school purposes where tickets are necessary.
Furniture for the new science hall, the new cafeteria and other departments is being delivered this week. By the end of the week it is expected to have the furniture all in.
The printing department, under the direction of Mr. Herbert Stevens, recently printed hand books for use among the students, and are now at work on the binding.
These books will be distributed among the students of both the junior and senior high school. They contain the school calendar, a complete map showing the position of the various buildings on the grounds, a copy of the school regulations, requirements for graduation, the constitution and by-laws, explanations of student self-government and the system of grading, courses of study, college en-

trance requirements and other information invaluable to the student.
Views of the school published in the annual last year, were mounted and presented to the Chamber of Commerce recently for use in their office. The pictures were a gift from the student body.
Torrance city park department recently purchased 100 yellow acacia trees in gallon cans from the agriculture department, for use in street planting. The trees were grown from the seed and raised in the agriculture department. Proceeds from the sale of these trees will go to the purchase of trees for school ground planting.
Reports from Miss Ada Chase, art instructor, who is recuperating from a recent operation, are to the effect that she is rapidly recovering and expects to return to school in about two weeks.
Mr. Herbert S. Wood and Miss Elizabeth Parks, principal and vice principal respectively, attended a luncheon meeting of the principals of this district, held at Narbonne high school Tuesday noon.
Mr. William W. Tritt, assistant superintendent in charge of the high schools of the harbor district, was a guest of the organization, which meets about four times each year.

QUALITY so fine that half the world doesn't realize that Buick is priced so low!

It is an impressive fact that men and women see buying from two to five times as many new Buicks as any other car priced above \$1200.
Moreover, during August and September, Buick monopolized its market to such a degree that it won 41% of the total sales of the 15 makes of cars in its price class. And yet this marked preference for Buick would be still greater if all motorists realized that they can buy six of the fourteen luxurious Buick body types for less than \$1300, f. o. b. factory.
These are Buicks through and through, embodying the full array of Buick quality features: Buick's new and surpassingly beautiful Bodies by Fisher; the famous Buick Valve-in-Head engine—most powerful engine of its size in the world; Buick's new Controlled Servo Enclosed Mechanical Brakes; the new Buick steering gear; new Road Shock Eliminator; and Buick's new, longer rear springs with Lovejoy Dual Shock Absorbers.
The new Buick, with these features, will introduce you to new and unequalled performance, driving ease, riding comfort and reliability on any day you put it to the test. And yet these six Buick models are offered at the price of cars which motorists never think of comparing with Buick!

Visit our showroom. Bring your present car. Learn how easily you can obtain one of these new Buicks. All are available on the extremely liberal General Motors time payment plan.
In addition to these lower priced models, Buick offers eight other distinguished body types, representing the ultimate in luxury, and priced from \$1465 to \$1995, f. o. b. factory.
BUICK MOTOR COMPANY, FLINT, MICHIGAN
Division of General Motors Corporation

WHEN BETTER AUTOMOBILES ARE BUILT... BUICK WILL BUILD THEM

Mr. Herbert S. Wood and Miss Elizabeth Parks, principal and vice principal respectively, attended a luncheon meeting of the principals of this district, held at Narbonne high school Tuesday noon.
Mr. William W. Tritt, assistant superintendent in charge of the high schools of the harbor district, was a guest of the organization, which meets about four times each year.
An Armistice Day program was given at assembly yesterday at 1:10 and included many patriotic songs and music.
Sounding of taps, with all of the students facing west, was an impressive feature of the day. This custom originated in the American Legion.
The speaker of the day was obtained by the Bert S. Crossland Post of the American Legion.
Next Wednesday there will be a junior high school and call assembly and a program relative to book week will be presented.
A one act play will be presented by junior high students, under the direction of Miss Lois Lingenfelter.
A modern "Comedy of Errors" has been staged by several of the teachers, with Miss Helen E. Jones, Margaret Jones, Florence Behr and Leon Sherer as the characters. These teachers were going to see the Japanese boat which was in the harbor last week. Each one thought it was understood as to the meeting place and where they were to spend the evening. After straining their eyes for the sight of Miss Sherer and Miss Behr, and waiting in line so long for tickets for admission to the boat, the Misses Jones didn't have time to go on the boat. They drove to Long Beach and hunted for Miss Behr's home on Hillcrest Drive, which was in Los Angeles and not in Long Beach. They finally went to a Japanese restaurant and had a fish dinner.
Dorothy Stevenson and Ethel Ward heard of a medium who could tell them some things they wanted to know. Being inquisitive they went to her Saturday. They haven't recovered yet from the shock they received when they heard many things about themselves they didn't know.
The champion flag-pole climber has been discovered at the High School. This feat was performed by Al Mintun, who got a ladder, climbed as far on it as he could, then climbed the rest of the way on the flag pole and took down the senior flag. The senior boys are planning a reward for Al.
He has tried in every way to get a car. He has worked for it, asked for it, and done everything possible to get one of his own. The ladies finally took pity on Johnny Young, and delivered him a "Chevy". He uses his new car, which is in the form of a dish truck, to carry out the dishes in the cafe at noon.
Miss Bolce, the assistant secretary went to the Shrine Auditorium last Saturday evening in company of Mr. and Mrs. G. W. Calder. They attended a vaudeville given by the Shriners. The group had a very enjoyable evening.
Someone's tomato patch must have been pretty empty Friday morning. George Kyle, and Joe Higgins found that tomatoes are good substitutes for rotten eggs on Halloween.
In a snappy meeting of the Boys League Wednesday they elected the following officers: President, Al Mintun; vice president, Joe Tavani; secretary, Harry Putnam; sergeant-at-arms, Paul Leasing. This is the first meeting the boys have had this semester, and if the others are like this one they sure will be peppy.
A group of girls, who are mostly

Angelo's to see "The Thirteenth Chair," which is the senior play for this year. Those who went to see this picture are: Loma Kizer, Beulah Cooper, Oma Belovith, Muriel Bell, Dot Chandler, Fred Myers, Katherine Roberts, Myrtle Perline, Josephine Set, Dot Warren, Bessie Palmer, Isabelle Burdick and the hostess Mary Lisson.
A souvenir picture folder was received from Shizu Frenshero, a former Japanese student who left school about a month ago for Japan. She sent this picture folder from Honolulu where she was a couple of weeks ago. Shizu will arrive in Japan in about two weeks.
Mr. and Mrs. R. C. Whitson and family of Amelia street and Mr. and Mrs. Herbert Harris and family of Long Beach motored on Sunday to Riverside where they visited the Mission.
Miss Louise Huston is in charge of the arrangements, assisted by Miss Volney Henderson, Mrs. Juliet Young, Mrs. Mable Peterson and

Girls' Play Day Next Wednesday at Elementary
Girls' playday, an annual affair at the elementary school, will be held next Wednesday morning between 9:30 and 12 on the high school athletic field. The playday is an interschool affair, and the following schools will participate: Moneta, Carson street, Dominguez, Fern avenue, and Torrancia elementary.
Miss Louise Huston is in charge of the arrangements, assisted by Miss Volney Henderson, Mrs. Juliet Young, Mrs. Mable Peterson and

Mrs. Sylvia Nelson. Arrangements have been completed to transport the children from other schools to Torrancia by school buses.
The program will begin with relay races, followed by games of kick ball and Newcomb, and folk dancing, accompanied to be played by the Torrancia high school band.
Girls are now spending one hour a day, from two until three, practicing for the playday.
Donald Berry has been released from the Torrancia hospital last week following an operation, and is now recuperating at his home on Dolores street.
