

High School Notes

Mr. Hodge, who recently resigned as instructor in the men's physical education classes at the evening high school, will be succeeded by Mr. Wm. McGinnis, football and basketball coach at Gardena high school.

Senior Mr. Dave Fiddlerhoff, head of the physical education department of the George Washington high school will be in charge of a recreational program in the gym, which is open to both adults and the older boys of the community.

This community is cordially invited to make use of the tennis courts during the evenings also. The courts are well lighted.

Seniors are sponsoring a noon dance in the gymnasium, at which a penny a dance is charged. The dances are held Tuesday and Thursday noons and are for high school students only.

These dances are directly under the supervision of the faculty, and several members are present each day.

Under the great folds of the fire-proof tent the cream of the western animal kingdom is this week being shown off to the public, judged by expert judges.

Prime mover of the company, Soap Co., Col. Cooper Proctor, at his Cincinnati headquarters, expressed great confidence in the move westward of his company.

Local industrialists commented that Proctor & Gamble's entry into this section is the result of a steady widening Pacific market, that its activities in Southern California would be of stupendous economic value.

Business

Because the average American has an inherent belief that cleanliness is a virtue, soap manufacturers do well in the U. S.

With its growing western business and its increasing trade with the Orient, Proctor & Gamble found it increasingly difficult to handle its orders efficiently.

7 Essentials of HEALTH

Do you know that by overlooking any one of the 7 Essentials you cannot have lasting health or success? Do you know why whole wheat bread is worse than white bread? Do you know which of the natural foods are constipating? Do you know why Cow's milk is not fit to build human structure? Do you know the dangers of eating nuts? Why the drinking of too much water is unnatural and harmful? Do you know the dangers of using the enema and how to make its use unnecessary? stop all tooth decay? How you can safely eat as much as you wish and forget food combinations entirely? How to attain your normal weight with safety and ease? Why Bread is not the staff of life and what the true staff of life is? Learn the answers to the above questions and above all learn what the 7 Essentials of Health are. Learn the natural way to apply them to solve your health problem from Dr. Philip Welch who has spent 15 years of re- search work on this important subject.

Dr. Philip Welch, 911 Architects Bldg., Los Angeles, California. Please send me full information about your course on the 7 Essentials of Health.

Catastrophe

Boilers, Blast At Signal Hill, last week, the boilers of a Conductor's Oil Co. pump-pumping oil from wells into storage tanks—were puffing and hissing with steam; they grew whole and hotter.

Without warning, pumps (oil workers) near the leaking storage tank were first shaken by a terrific explosion, then mercilessly sprayed with burning oil. Sprayed, too, was a tank "farm" five oil derricks. Firemen arrived to find five flaming derricks, ten storage tanks, which threatened the entire south-eastern slope of Signal Hill. Firemen, however, successfully smothered the flames, prevented further sale destruction.

Gutted The California Yacht Club at Wilmington, luxurious oceanside play-palace for yachting Californians, was to have been the setting for many Thanksgiving dinners.

Salton Sea Race In suitable waters, in warm weather, speedboat racing is a popular pastime. Proven to be popular and suitable locations for speed-boating in Southern California are Balboa Bay, Los Alamitos Bay (Long Beach), Lake Elsinore, and the Salton Sea.

Blustering Blust In Los Angeles, last week, one Robert A. Blust nonchalantly drove along; lost his nonchalance when another driver bumped into his car. Full of ire, disgruntled, Blust investigated damage done, breathed a sigh of relief.

Portable HEAT

The Coleman Radiant Heater makes and burns its own gas from regular, clear-white gasoline.

The Instant Gas Starter lights immediately. Strikes a match and turns a valve. Then in less than a minute the new Thermo-Safety Generator opens and the radiant light automatically.

The Coleman Heater is portable... can be carried and used anywhere. It provides quick comfort for your home, store, office or shop. Radiates a fan-like glow of genial warmth that penetrates like sunshine.

THE NEW No. 5A Coleman Radiant Heater

is a beauty. Has semi-ath walt brown finish. Trim is bronze, brushed with highlights of old gold. Wide-spread and iron type give stability.

To all who send at once for further information we will mail FREE our handsome Campers' Manual, regular price 25 cents.
