Install Your Christmas Radio Early

Christmas Carols, lovely old anthems, cantatas, "Christmas Exercises" and "Christmas Trees," special Christmas programs for the children, with Santa Claus present in person. All these will come to you out of the air during this happy holiday season. Install your Christmas Radio early... enjoy to the full this wonderful outpouring of the Christmas spirit. And to enjoy all this marvelous wealth of wholesome, inspiring entertainment at its very best, make sure that your Radio is a Sparton. For we are more firmly convinced than ever before that this new Sparton Equasonne is the greatest Radio the world has ever known at any price...and it is so easy to own a SPARTON.

...for a difference of only a few pennies per day.. You CAN OWN A SPARTON

● HAVE YOU been considering a new Radio? Have you been thinking of one of the cheaper sets, for no other reason than the fact that it is cheap?

Do you realize that for only a few pennies per day more, you can own a SPARTON...the finest Radio money can buy?

The price of a shave and a shine...the cost of a couple of magazines...the amount you pay for a single movie ticket at any good show—even so little as that, and you have paid that day for a SPARTON.

No more than you'd pay for a very simple lunch down-town... less than you pay for meat for dinner at home... for what it costs

you to treat the family to a single round of ice cream cones—and you've paid for your day's installment on your SPARTON.

And as you pay, you save. "Let's stay home this evening and listen to Fritz Reiner of the Cincinnati Symphony... Louise Homer is the soloist." And so there's no carfare to pay, no gas to burn, none of the many little incidental expenditures which mount up so rapidly when you go out for an evening.

Or, "We've seen one show this week; let's stay in tonight and hear Eva Ollivotti or Lucy Day or Paul Roberts in their Musical Comedy Hour; or let's tune in that Victor Herbert Program this evening."

And you've had a delightful evening... two, three hours, or more of wonderful entertainment... and you have saved this week's payment on your SPARTON.

It's so easy to own a SPARTON...and

...don't you buy a radio until you have heard a Sparton? Walter Johnson
