Cops Follow Tip; Find Collection of Unique Samples

Following a "tip" that came in to police headquarters Monday, Officer John Stroh found a package that had been placed under a tree on Sartori avenue.

The package, which had been carefully wrapped and packed, contained 19 nearly empty pint whiskey bottles. The remaining whiskey in the bottles is being kept by the police pending an investigation.

MULE IN COURT ACTION

MEXICO, Mo. (UP)—Famous in fact and fiction, the Missouri mule is figuring in a law suit here. The "pernicious activities of one wild, vicious, unruly and ill-dispositioned mule" are the basis of an \$8,000 damage suit filed by Frank Bortmeyer, farm laborer, against his former employer, Finley Johnson. Bortmeyer alleges he was thrown from the seat of a grain binder into its mechanical parts and was seriously injured because of the afore-said "activities." He charges Johnson with negligence in providing him with such an animal to drive.

"Condemned," Starring Ronald Colman Coming to Fox Redondo

Fifteen thousand civilized white people have never listened to the radio!

This was one of the curious facts unearthed by Samuel Goldwyn's investigators during the search for authentic material for the filming of "Condemned," the new Ronald Colman starring picture which comes to the Fox Redondo theatre on Monday, Tuesday and Wednesday next week.

The men in question are the inhabitants of Devil's Island, the notorious French prison colony off the coast of South America. When the scene of "Condemned" is laid, radios are forbidden in the colony to prevent any possibility of communication with the prisoners by friends on the outside. Since most of the prisoners are in on their sentences, being the incorrigibles of French prisons, they entered the colony before the advent

Here Is Mexico's Largest Family

This picture shows the members of the Gonzalez family, the largest in numbers in Mexico. They all live in one house. Mr. and Mrs. Gonzalez, the parents and grandparents, are in the center.

PRANK RETURNS DOG

COLUMBIA, Mo. (UP) Chester L. Brewer, athletic director of the University of Missouri, is rejoicing that college students enjoy pranks. Brewer's pet Lewellen setter was lost and he bemoaned the fact for several days. It was returned after a group of students and pranks had caught the dog, wet and dirty, and put it in the bed of Herbert Blue who was asleep on the sleeping porch of his fraternity house. Blue recognized the bedraggled dog and returned it to Brewer.

NEW DEMONSTRATION COURSE

OMAHA, Neb. (UP)—Airplane salesmen and motion picture exhibitors as part of demonstration courses were innovations at the 1930 meeting of the Nebraska division of the American College of Surgeons which met here in Joplin. The salesman took delegates aloft who had never flown before. Spokesman for the salesmen told the 300 delegates that physicians would use planes regularly within a few years.

'Sally' and 'Son of the Gods' at Torrance Theatre Coming Week

One of the greatest combinations of comedy talent ever seen in a motion picture will be featured on the Torrance theatre screen tonight, Friday and Saturday, when "Sally" is shown.

"Sally" is adapted from Miss Miller's greatest stage success, and is a First National and Vitaphone picture entirely in color. It is also Miss Miller's first picture.

In addition there are scores of other players to contribute to the fun, and the handsome Alexander Gray is cast in the romantic role opposite the star.

With his narrative cast, Director John Francis Dillon is said to have given to the screen one of the very finest entertainments in its history.

"Love Parade," "Cock Eyed World" Coming to the Plaza in Hawthorne

Do you remember that highly clever all singing, talking, dancing screen triumph, "Innocents of Paris"? Do you remember the marvelous star of that fine picture—Maurice Chevalier? How could you possibly forget it? Since that time the public has been clamoring for another talkie from this same Chevalier, (pronounced Sheel-va-ya) and at last—it is here—"The Love Parade."

March 12-13. The particular star of this production is Rod La Rocque, although Betty Bronson and others offer splendid portrayals. The great raid of the "run-ship"—the mystery shooting of a husband—the unravelling of the mystery of who did it—all combine to make it a wonderful story.

Local Legion Boys Feature Gardena Show

Tom Bowker and Ray Cook, masking under the name of plume "The Two Nuts," will be making their debut in a rollicking vedvil show at the Gardena Post of the American Legion in the Gardena high school auditorium.

An enthralling array of seven head-line attractions will furnish a two-hour show and as Tommy Bowker says, "If you haven't laughed for some time, you are invited to attend the show and get caught up in the curtain rises at 8 o'clock, March 7, and a number of Torrance and Lomita Legionnaires are planning on attending but an invitation is extended to the public as well."

City Hostess Pay Increased

In recognition of her untiring services to the City of Torrance as official hostess, the directors of the Torrance Chamber of Commerce this week authorized an increase in salary to Mrs. Thelma Milburn of \$25 per month. She will now receive \$70 per month.

The increased compensation came as a complete surprise to Mrs. Milburn, and was suggested by J. W. Post at the directors' meeting Tuesday afternoon. Mr. Post voiced the opinion of other directors when he said that the city hostess through her friendly contacts with the new residents is creating good will for the city, and he complimented Mrs. Milburn for her successful work.

Two Experienced Mechanics Reopen Walteria Garage

WALTERIA.—The Walteria Garage on Hawthorne and Newport has been taken over by James E. Carol and Joe Priestner. Mr. Carol has changed the repair shop and mechanics of the service station. Carol was formerly president of the California Propeller Co. at Redondo Beach and is a pioneer aviator in this part of the country. He served with the army and navy both. His garage and navy details were located at North Island first used in army service. He later served with the navy in aviation work and has an aviator's record.

Mr. Carol is familiar with auto and auto machines.

Mr. Priestner is also an aviator. He came here from Marshall, Mo. where he was employed by the Nichols and Beasley Aeroplane Co. The garage will operate under the name, South Torrance Garage.
