NARBONNE HI WINNERS AT L. A. MEET

Place First in Division 4 with 17 Points in Second Annual Relay Carnival

Narbonne's fast stepping Gauchos took first place in Division 4 at the Los Angeles city relays carnival last Saturday. The Gauchos scored 17 points while Eagle Rock and North Hollywood tied for second with 11 points each. Gardena scored 8 and Owensmouth 7 points. University High and Torrance failed to enter teams in this division. Manual Arts won the championship in Division 1, Roosevelt in Division 2 and Rila in Division 3.

In the class A 4-man 440 relay Narbonne's team composed of Morgison, Robinson, Dawson and Clayton took first place in 47 seconds. The Class C medley was also won by Narbonne in the good time of 2:21 1-5. Heromi Sasaki, Welhorn Jeter, Homer Kelly and Hede Watanabe composed this team.

composed of Morgison, Robinson, Dawson and Chesly Jeter also won first place when Jeter came from behind in a thrilling sprint at the finish to nose out the North Hollywood runner, The Gauchos Class B 880 team composed of Hirata, Dallape, O'Leary and Osako also gave a good account of itself by taking fourth place. The same was true of the mixed medley team composed of Sasaki, Dallape, Watanabe and Carpenter. These boys took fourth place also after a grueling race.

The members of the teams that took first places all received splendid gold medals, while the others received attractive ribbons. This is the first time Narbonne has won the Los Angeles relay championship and it is only the second year that it has been held, so that the boys have a right to be proud of their fine record. Last Tuesday the medals were awarded at a special assembly along with the medals won the previous Saturday at Long Beach at the A. A. U. relays held there. Narbonne placed two teams in third place, the 4 man 440 and the 4 man mile. Clayton, Morgison, Dawson and Robinson received medals for the 440, while Poole, McEwen, Winchick and Gannon received medals for the 4-man mile team.

Tomorrow Narbonne meets Redondo at Redondo and next week goes to Jordan.

INTER-CLASS MEET TAKEN BY A8 BOYS

Narbonne Junior High School Puts on Classy Contest for School Honors

Narbonne Junior High School inter-class track meet was won by the A8 grade last Thursday. The A8 scored 49 1/2 points, while the A7 took second place with 29 1/2 points. The B8 were third with 10 1/2 and the B7 fourth with 3 1/2 points. Gene Tawa was high point man for the A8 and the entire meet by winning three first places. Wayne Sidwell was next with two first places in the shot and pole vault. In the 50 yard dash Tawa took first place. George Gould second, Damon Reece third and Leslie Labaugh fourth. Tawa took first in the 100 yard dash with Gould second, Gus third and Labaugh fourth. Tawa also won the 70 yard dash with Labaugh second, Tainco third and Gus fourth. Reece won the 70 yard low hurdles with Starkey second, Evering third and Woods fourth. O'Hara won the broad jump. Bliss took second with Heroldi, Watanabe and Willard Ruggart third. The high jump was won by Isincho, with Leo Butts second, Donald Butts third and Starkey fourth. Sidwell won the pole vault with Nance second and Ruggart and Butts tied for third. The shot put was won by Sidwell with George Gould taking second, Donald Butts third and Leslie Labaugh fourth. The A8 team won an exciting relay race.

Braking efficiency can be increased, particularly in wet weather, by leaving the clutch engaged and decelerating engine until nearly stopped.

JUN. OLYMPIC PRELIMINARY ON WEDNESDAY

Competition Keen Among Torrance Lads For Entry in Important Sports Event

The next preliminary meet in the elimination contests to select representatives in the Junior Olympic games, will be held on Wednesday, March 12. The final school meet will be held April 9 when medals will be awarded and the five juniors and five seniors who are to represent Torrance at the big meet in Los Angeles will be named. Achievement awards will be given to those who score above 200.

Individual standing in the two divisions at present is as follows:

Senior	Points
1. Susumi Ishikawa	434
2. Raymond Rogers	419
3. Joe Lisoni	419

TRACK MEN READY FOR M. L. FINALS

Gaucha Squads in Mid-Season Form Are Pointing for the Big Meet at Torrance

With the Marine league track finals only a month off, Narbonne Class A track team is in good shape. Harry Morgison, who graduates in June, has gained a lot of speed in the century and furlongs, and the Gauchos are depending on him to pile up points in the finals. Roy Dawson, a '29 letterman, shows a lot of improvement. He is expected to place high in the 440 dash in the finals.

John Hammack, a new member of the squad is consistently clearing 5 feet 7 inches and Stanley Asplite and Ralph Ruggart, lettermen, are sure to give good accounts of themselves at the high hurdles and high jump.

B team men who are expected to make many points in the finals are John Gannon, Thomas Dallape, Kazamasa Hirata, century and furlong; Wayne Cox, Shelby Okamoto, Harry Rice, hurdles; Floyd Carpenter, Daniel O'Leary, 660 yard dash; Darrell Wolverson, Satoshi Osaki, pole vaulting and

high jump; Gannon and Osaki, broad jump; Robert Nance, Clifford Marsh, putting the shot.
The C team is showing plenty of championship form. Watanabe, Mototawa and Kelly are high point men and will probably make the varsity next season. Myron Schmidt is the only one out for the pole vault. Mototawa is the C's star hurdler; Tawa and Holman star in the high jump and Kelly and Jeter run the 660.

Track Teams in Two Practice Meets

Torrance high school track teams will take part in a practice meet with Banning and Gardena at Gardena on Friday, and on Tuesday of next week will meet Narbonne at Griffin Field.

SHRINERS TO FROLIC 15TH AT CATALINA

Several thousand Shriners are expected to go to Catalina Island, March 15 and 16, when Al Malakhan Temple will hold a spring ceremonial and barbecue.

Announcement of the date for the meeting was announced last week by illustrious Potentate Fred J. Wadley Jr., who issued instructions to surround the meeting with special features that will provide entertainment for the Shriners as well as for the many candidates who are expected to cross the "hot sands" of the Mystic Shrine.

As Ceremonial Director Ernest Hurst has but recently returned from a meeting of ceremonial directors at Denver, some unique features are expected to be offered for the "benefit" of the candidates.

Recorder George J. Ramsey has made reservations for more than 3,000 Shriners in addition to the uniformed band, patrol and chanters who will be out in full force. A steamer has been chartered to take the Shriners to Catalina Island Saturday morning. The return trip will be made Sunday afternoon.

The ceremonial and barbecue will be held Saturday night in a secluded spot, once the hiding place of pirates.

On Saturday a golf tournament will be held under the direction of Noble Robert A. Hefner.

NEWS AND NONSENSE IN THE P. E. SHOPS

Edited by Carleton B. Bell

Clarence L. Ockerman used to live in Torrance, now he lives here again. He lived elsewhere for a while but couldn't stay away so last week moved back. He will stay this time.

It is bad enough to have to work nights but to miss your car which runs especially to take you home just ten times worse. The other morning it rained hard just at the time the night watchman Frank Demery, A. L. Pennington, Jonas Turner, Frank Northcut usually get the jigger to take them over to the station. They got into another car standing on the siding to keep dry and got so interested in their conversation that they left the jigger start back without them and they had to walk all the way in the rain.

Otto Martin started to work one hour too early last Friday morning. He claims he did not set his watch by Denver radio-like Chas. Stiles did but has failed to make a satisfactory explanation. It is a mystery how anybody can get up an hour early and not know all about how it happened.

John Barr was retired with a pension March 1st after more than 25 years service. The boys held quite a farewell reception for Johnnie and presented him with a beautiful framed motto and a fine Bible. Everyone who knows Johnnie knows that no other present could have pleased him better. Johnnie left feeling very happy and with the promise that he would return to visit us often.

Burt Valentine has very proper ideas about stealing, or taking things that do not belong to him. Imagine his embarrassment when he found out that he had taken a book of maps, etc., that a man was "giving away" on the streets of Torrance with subscription to some newspaper. Burt got the "giving away" part but missed the rest of it and took one of the books and hurried away. Burt took advantage of the first opportunity and returned the book to the agent. That is where Burt is different from most of us.

Nick Arena is back at work after

being off six weeks because of a broken bone which necessitated being struck by an officer of the office building. He showed a small fracture of the bone which necessitated absence.

Dale Merritt now has a medal showing that he is a winner. The medal was presented to him by the California Electric Co. of Torrance in appreciation of his work in the construction of a transmission system across a pole, tower and oil cables wires and oil pipes for the purpose of transmitting and distributing electricity to the homes of Torrance. Peter Pizani now knows Hodson's first name. Today he walked up to Hodson and addressed him as "MR. Charles" asked Peter if he had any money. Peter said "No, sir." Then call me O' said the aforesaid Hodson. clear to Peter now.

Running the engine of your car with the spark retarded causes overheating and excessive carbon.
