WELCOME HOME

WANDA STACHOWICZ

TORRANCE, the city of your childhood dreams, and the home of your beloved parents, welcomes you home from your triumphal successes on the operatic stage in Italy.

The opera loving people of the "land of Caruso" have lauded your masterly technique and marvelous voice, but here in Torrance, we do even more. We rejoice in your return because you once were one of us. We have missed you during these four years in Italy and we welcome you back to America and to Torrance as a loving friend and fellow citizen.
