Temple Co-operates With Health Authorities; Stag Tomorrow

Entertainments for Shriners and their families at Al Malakiah Temple have been ordered suspended by Potentate Fred J. Wadley Jr., to co-operate with the health department during the period that the officials feel there is danger in crowds where families with children may mingle.

However, affairs at the Temple will continue in full swing during the season and the Nobles will have their own stag affair tomorrow night when a novel "cold foot" initiation ceremony will be staged at the Shrine Civic auditorium.

To Use Solemn Ritual

Potentate Wadley in announcing the ceremony emphatically stated that this would undoubtedly be the last opportunity when those desiring to become Shriners would have a chance to join without going across the path that is well remembered by hundreds of thousands of Shriners. The solemn and colorful ritual will be used exclusively.

In addition to this ceremonial, an entertainment program of interest to the Shriners will be presented, with a promise that the entire affair will be concluded by 9:30 o'clock. Doors will open at 7 o'clock with an organ recital and entertainment until 8 o'clock when the ceremonial will get under way.

**Harbor Firemen to Hold Session Here on July 16**

Local Fire Department Will Be Host to 150 Men.

Members of the Torrance fire department will be hosts to the Harbor District Firemen's Association when that organization holds its regular monthly meeting here on the evening of July 16.

More than 150 firemen from all parts of the harbor district are expected to be in attendance. An interesting program has been arranged by the local firemen for the entertainment and instruction of the visiting men.

Entertainment Planned

Captain Myers, president of the California State Firemen's Association, is expected to be present and give an address. Paul Wolfe, of the Arson investigation bureau of the Los Angeles fire department, will be the main speaker and will give a demonstration on "Arson Plants."

Rev. Cameron, of Torrance, who is said to be an authority on first aid work will give a talk on that part of a fireman's duties. Special musical and entertainment numbers are being planned for the event. Following the program a supper will be served by the local department. The meeting will be held in the Torrance city hall.

**Local Fishermen Net Trout Limit**

Bringing back one of the largest and prettiest catches of trout yet seen in Torrance this season, G. L. Morris and Wilson Woodburn returned this week from a three-day fishing trip.

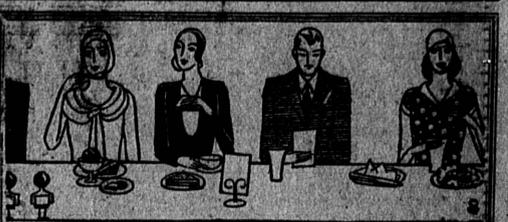

They reported that they obtained all of their catch in the Mammoth Lake and Bishop streams. Catches were of the rainbow and golden variety, and over 15 inches long. The local rodmen brought back the limit well packed in ice.

**How CAN YOU CONSISTENTLY MAKE? ANY OTHER CHOICE?**

How can there be any question on the tires to buy when with our new REDUCED PRICES you can have your car equipped with the world-famous Firestones at no greater cost than ordinary tires? Here are the tires that carried Billy Arnold for 500 gruelling miles at an average speed of more than 100 miles per hour to the championship in the great Indianapolis races; and were on the cars of all other winners, not only this year, but for eleven consecutive years. What more powerful facts could be presented to show which tires are the strongest and safest tires made?
