CHRISTIAN SCIENCE
"Learn me in thy truth, and teach me: for thou art the God of my salvation; on thee do I wait all the day." These words of the Psalmist will be included in the Responsive Reading in the Lesson-Sermon on "Soul"—Sunday in all Churches of Christ, Scientist, in Boston, Mass.
One of the Scripture selections presents the following verses from the gospel of Matthew: "And great multitudes came unto him, having with them those that were lame, blind, dumb, pained, and many others, and cast them down at Jesus' feet; and he healed them."

"Roll Call Day" To Be Observed

Christian Church To Hold Special Service Sunday

Next Sunday, October 19, will be observed as "Roll Call Day" in the history of the Torrance-Christian church, located on Engracia at Arlington. Rev. Elder, pastor of the church says, "An attempt will be made to secure the attendance of the entire local membership—seeking to make it unanimous. We shall see to it that every member of the church, as in the army, is present or accounted for."
The outstanding feature of this special service beginning at 10:50 a. m. will be the reading of the church roll and the answering when names are called. A prominent lay-member will give a brief history of the church, charter members will be recognized, and many items which have to do with past, present and the future of the local church will be presented.

TOO MUCH FIRST AID
SEATTLE, Wash., (UP)—Gilbert King fainted in his home. His wife doused him with water. The water failed to revive him, and Dr. J. T. Callow was forced to use artificial respiration to bring him to consciousness. King was on the verge of drowning.

inasmuch that the multitude wondered, when they saw the dumb to speak, the maimed to be whole, the lame to walk, and the blind to see; and they glorified the God of Israel.

A citation from the Christian Science textbook, "Science and Health with Key to the Scripture," by Mary Baker Eddy, states: "A demonstration of the facts of Soul in Jesus' way resolves the dark visions of material sense into harmony and immortality."
