**Local Rotarians Challenge World!**

Here's some real news for football fans: The Rotary football team has issued a challenge to any other service club teams in the world! The game is to be played for the benefit of the unemployed—including, as the official challenge states—"the business men of Torrance and Slip Kelsey."

If the Rotarians' defy is accepted, the event will take the place of the postponed Rotary-Kiwanis stag benefit party.

So there's the challenge—it's up to any other service club "in the world" to dispute the Torrance Rotarians' claims to athletic honors. Incidentally such a game would draw a considerable crowd and the receipts would swell the coffers of the Torrance Relief Society.

**Shoes For Poor Repaired Free**

Have you any old shoes that are still good for "another thousand" if they had a half-sole, a little sewing up or a heel put on?

The need for shoes for the less fortunate residents of Torrance is great, and David Hoffman, of Hoffman's Shoe Shop at 1216 Sartori avenue, has offered to do his part in assisting the Torrance Relief Society to clothe the poor.

He said this week that the first 100 pairs of shoes brought to his shop for this purpose would be repaired, soled and reeled free of cost to the Torrance Relief Society. It's going to be a busy two weeks for Hoffman—but he wants to help.

If you'll do your part in bringing these old shoes that are not too badly worn to Hoffman's Shoe Shop, he will do the rest and turn them over to the Relief group for distribution on or before Christmas Eve.

**Truck Purchased By City on Bids**

**Six Firms Quote Prices; Paul and Murray Win**

Six automobile and truck dealers submitted bids on two trucks as advertised by the city clerk for the city, but after a conference of the city councilmen Tuesday night, but one truck was ordered purchased on a price quoted by a local dealer.

Paul and Murray were the winning bidders and the city has bought a heavy duty two-ton Dodge truck at a price of \$2550. It was agreed that one machine would be enough for the present needs of the street department.

Other bidders and their quotations were Mullin's Complete Auto Service, 1 1/2-ton Moreland truck, \$2000; White Automobile and Truck Company, White truck, \$2,640; Torrance Motor Company, 1 1/2-ton Chevrolet truck, \$1273; Schultz, Peckham and Schultz, Ford truck, \$1116.50; and Federal Motor Trucks, 1 1/2-ton Federal truck, \$1874.50.

**May Request Work For Torrance Men**

A resolution from the County Board of Supervisors was read at which the city was asked that in awarding contracts for city work that the firms be required to pledge employment to laborers who are residents of the county.

The council is of the opinion that Torrance can do better than that, and henceforth all contractors may be required to employ Torrance labor wherever possible.

same as the regular night showing. Let the children come to this free party—they will be well cared for and will have a grand time, according to Higgins.

**At the Churches**

Christmas observance of the greatest day of the year will be held Sunday morning and evening at the Central Evangelical church. The children will be featured at the program which will be in two parts beginning at 6 o'clock Sunday evening. Part one will present the tiny tots in recitations and songs. Part two will present plays, pageants and pantomime in costume. Special seating arrangements are being provided for this event.

**Nativity Play Programmed**

A special drama program is being prepared for the First Baptist church's observance Tuesday night, December 22. The Christmas message is to be delivered by the pastor, John B. Speed, Sunday morning at 11 o'clock. The performance of one of the old Nativity plays Tuesday night will be given by members of the congregation and all residents of Torrance are cordially invited to attend.

**Sunday School Event**

Christmas Eve the First Evangelical Lutheran church will present its program by the Sunday school. Rev. G. H. Schuster has stated that this will be one of the finest programs ever given by the church school. There will be divine worship at the church at 9:30 a. m., Christmas day.

**Pageant and Tree**

A big Christmas tree and a pageant will be the center of attraction at the Torrance Four Square Gospel church, corner of Redondo boulevard and Cota avenue, at 7:30 o'clock Sunday evening, December 21. The children's Christmas program, under the direction of Mary B. Newby and other members of the congregation, will be held at 10:45 a. m., Sunday.

**Cantata is Featured**

A Christmas cantata, "The Holy Child," at 7:30 o'clock Sunday evening, is part of the First Methodist Episcopal church's observance of the feast day. On Tuesday night the Sunday school program and pageant for the children will be held around a white Christmas tree.

**Midnight Service**

Special music for Christmas is being prepared at the Christ Episcopal church, according to an announcement by Benjamin J. Darnelle, vicar. As customary a midnight service will be held Christmas Eve to usher in the great feast day. Further details will be announced in the Herald next week.

**Christmas Cantata**

A white gifts Christmas program will open the festivities at the First Christian church at 7:30 p. m. Sunday. The members of the Bible school will present this part of the church's celebration. A feature program is being arranged for 6:30 p. m. Sunday by the Christian Endeavor group and the cantata will be given the last Sunday night of the year.

**Clubs Have Yule Parties**

Tomorrow, Friday noon, the Kiwanis club will hold its annual Christmas party with A. D. Hayes in charge of the program and the appearance of Santa Claus. Members of the club will exchange inexpensive presents during the course of the program.

With Dewey Roberts acting as that genial visitor from the North Pole, the Rotary club held high revel at noon today in observing the Yuletide season. A substantial fund was collected from the members present for the Torrance Relief Society. Jack Barnes had charge of the program.

approached in a car—as reported in two previous cases within the past few days—that carried a spotlight and looked like a police machine. The glare of the light was turned upon the young people and the bandits ordered them out of their car.

Bergmanson refused and when one hand attempted to yank open the door he started in action. A shot crashed through the back window, burying itself under Bergmanson's shoulder blade. He fired back and then both bandits started shooting at him and Miss Glennie. Police reported that Bergmanson's windshield and windows were smashed by bullets. It is possible, they said, that one of the would-be holdups was hit by the Hollywood man's fire, for one was heard to exclaim:

"I've got enough, Sam!" The description Bergmanson and Miss Glennie gave police tallied with those reported by couples previously held up, according to police.

**THE GREAT AMERICAN VALUE**

Fine-car distinction and quality in the new Chevrolet Six

Again, Chevrolet and General Motors have utilized their combined resources to establish a new and higher standard of value for the American motor car.

Front view of the new Chevrolet Sport Coupe

The new Chevrolet represents a type of economical transportation that America has long anticipated—a low-priced six styled with such striking talent and good taste, so smartly beautiful and complete in its perfection of detail, so advanced and refined mechanically that you will immediately recognize it as the Great American Value.

This great value is the outcome of four basic Chevrolet advantages: (1) The savings of volume production in nineteen immense, modern plants. (2) The economies which result from great purchasing power. (3) The benefits of continu-

ous research in General Motors laboratories and on the General Motors Proving Ground. And (4) the close association with the Fisher Body Corporation who, this year, have surpassed all their previous achievements in developing bodies of outstanding quality, refinement and value.

These basic advantages have made it possible to build a finer car at lower cost. They have enabled Chevrolet to offer a car with a longer wheelbase—greater roominess and comfort—strikingly smarter style—impressive new luxury—more thoroughly satisfactory performance—greater dependability. And to pass on these savings of efficient manufacturing to the buyer in the form of lower prices!
