ASSOCIATION TO PROMOTE HARBOR AREA

Property Owners Meet to Form Association for More Industries

Another milestone has been passed by the property owners of the Harbor district, when 30 representative citizens from Athens, Gardena, Harbor City, La Bamba, Lomita, Manchester, Moneta, San Pedro, Terminal Island, Torrance, Watts, Wilmington, and Keystone, recently met and formed the Industrial Development Association of the Harbor district. The object of the association is to uphold all the laws of California, but especially those affecting the property owners of the Harbor district; to promote the interest of all of its members, individually and collectively, with a view to the utmost faithful and efficient service to all taxpayers of the Harbor district; and to further the work of bringing to the Harbor district in the Harbor district, the backbone of the community, that being, new industries. With this object before them, the members of the organization are going to make a united effort to help industries in locating in the Harbor district. Another meeting was called for a future date, when permanent officers and committees shall be elected and appointed.

Careful Driving During Yuletide Asked This Week

Calling attention to the fact that the business districts of every city and town in California will be crowded with holiday shoppers during the next two weeks, Frank G. Snook, chief of the division of motor vehicles, this week urged operators of motor vehicles to be doubly cautious in driving in urban territory during this period. Persons absorbed in the business of purchasing holiday gifts are likely to become careless and step in front of moving vehicles, Snook pointed out. "It is up to the motorist to cut down his speed in crowded shopping districts," Snook said. "The responsibility is his for the courts have ruled without exception that the pedestrian is right-of-way. Look out particularly for old men and women burdened with bundles who become confused easily in traffic. The older generation was not raised in the speed of this day and cannot judge the aptness of younger persons. Look out for women trying to carry one or two children and do their shopping at the same time. Don't turn a joyous holiday into a tragedy."

JUST CALL AND—By the United Press

SALINAS.—There's a trunk at the Salinas police station awaiting its owner. It was taken in an auto crash, and found to be filled with bottles of home brew beer.

MUST HAVE NOISE By the United Press

REDDING.—A canary that will sing only when two typewriters are clicking away is owned by the local office of the California Automobile Association.

Warning is Given On Yule Berries

If you're tempted to reach for a branch of toyon or red Christmas berries along the roadside, remember it's a violation of the California law. Such is the warning of State Forester M. B. Pratt, who points out that it is a misdemeanor to mutilate or destroy any toyon tree growing on public or private property without first obtaining written permission from the owner.

TO IMPROVE FIGUEROA For the improvement of Figueroa street from 180th to Wilmington boulevard, the county has awarded an appropriation of \$193,900 from the Special Road Improvement fund, to which the city of Los Angeles is expected to add \$30,800, according to a report from Councilman A. E. Henning.

CHRISTMAS PRESENT BURLINGAME—A huge Christmas tree, 25 feet high and weighing six tons, was presented to the city for planting in the city park by Mrs. Daniel A. Rosland.

CAT TAIL FIREWORKS BROMLEY, (Kent) Eng.—Five fireworks tied to a cat's tail, cost three youths here a fine of \$1.25 each.

HEARD OLD CALL UKIAH.—The "call of the wild" was too much for a dog trained here as a sheep killer, after slaying \$1000 worth of stock. The dog had apparently turned "wild" as a pup, for a collar was found imbedded in the flesh around its neck.
