## COUNCIL PROCEEDINGS

Torrance, California, February 17th, 1931.  
**MINUTES OF THE REGULAR MEETING OF THE CITY COUNCIL OF THE CITY OF TORRANCE**

The regular meeting of the City Council of the City of Torrance, was held in the Council Chamber at Torrance, California, February 17th 1931, and was called to order at 7:45 p. m., by Mayor Dennis.

The following Trustees were present: Trustee: Bell, Nelson, Smith, Steiner and Dennis.  
 Absent: Trustees: None.

Trustee Nelson asked that the following correction be made in the minutes of February 9th 1931. "After much discussion Trustee Nelson stated that the difference of 1 per cent in the interest rate on the bonds together with other deductions would bring the price considerably below \$4,000.00 so the saving in interest for a period would be \$8,000."

Trustee Steiner moved that the minutes of the regular meeting of February 9th 1931, the minutes of the special meeting of February 9th 1931, after the above correction, and the minutes of the special meeting of February 13th 1931, all be adopted.

Trustee Bell seconded the motion, which was carried unanimously.

Clerk Bartlett read a communication from the League of California Municipalities, under date of February 12th, 1931, addressed to the Honorable City Council, asking support for a "recall" law introduced by Senator Harper at request of the League.

Mayor Dennis stated to the Council that a meeting had been held in Huntington Park on the purpose of perfecting this organization and that this meeting was undoubtedly following up the original proposal.

shall a spur track. They would like to get permission without having to pay this \$250.00 if possible.

Engineer Leonard informed Mr. Dalton that this would have to be taken up with the Dominguez Land Corporation as the land upon which the track would be built has not been deeded to the City of Torrance.

Mr. Don Findley from the audience stated that this strip of land had not been turned over to the City because it had been reserved for a loading track to serve the lots adjoining and was not intended as a public alley.

However, the Dominguez Land Corporation desires to cooperate and they would grant the Pacific Electric a right-of-way over this property.

Mr. Carl Hyde from the audience stated that the Torrance Hospital Association has been having the various emergency cases brought there for first aid treatment and most of the burden has been imposed on the Association which they have no way of unloading.

The Chamber of Commerce has been trying to get a contract with the Los Angeles Hospital Association to take care of emergency first aid cases that happen in County territory, and are brought to Torrance Hospital for emergency treatment. Mr. Hyde asked that a letter be addressed to Dr. Wood, General Supt. of the Los Angeles Hospital, care of Dr. J. L. Pomeroy, requesting the County to reimburse the hospital of the emergency cases.

Trustee Smith moved that the City Clerk be instructed to write a letter to Dr. Wood, General Supt. of the Los Angeles Hospital, care of Dr. J. L. Pomeroy, informing them of the present arrangement between the City of Torrance and the Jared Sidney Torrance Memorial Hospital for the care of emergency cases and request of him that the County of Los Angeles make similar arrangements for the care of emergency cases arising outside the City limits of Torrance where persons are brought into such hospital from County territory for emergency treatment.

Trustee Bell seconded the motion, which was carried unanimously.

Mr. McCabe from the audience asked if the petition for north Lomita annexation was still alive.

Attorney Briney stated that this could be brought up again by motion of any councilman.

Trustee Smith reported on securing funds for the unemployment situation, stating that Carl Hyde and he had succeeded in securing an allocation of \$15,000.00 from the Board of Supervisors to be used for the employment of labor on various street projects.

That this matter would be handled through the regular department of which Trustee Steiner is chairman, and that the registrars at the Chamber of Commerce will
