MOTHERS'  
DAY!

### BEARS PLAY TWO TEAMS NEXT SUNDAY

Next Sunday the Torrance Bears, who decisively defeated the Los Angeles Independencia last week, 10 to 8, will play a double-header at their diamond near the Pueblo. In the morning the Bears will take on the Wilmington Junior Tigers and the game with the Columbia Steel Open Hearth nine in the afternoon will complete the day.

Pitcher Lupe is credited with winning last Sunday's game. Vidal, center fielder, smacked out a three-bagger, while Cruz, David and Pete each collected two base hits. The Bears made a very impressive showing against the Independencias and should display a good brand of ball against their double opponents next Sunday.

The box score of last Sunday's game:

BEARS		L. A. INDEPENDENCIA	
AB	R	H	O
Alvarez, 3b.	5	2	1
Chavira, 1b.	5	1	2
Victor, rf.	4	0	1

### Advance Shop Opening With Sale Saturday

A grand opening sale will be held by the Advance Shop, the newest Torrance store dealing exclusively in popular priced women's and misses' wearing apparel, starting at 9 o'clock Saturday morning. The Advance Shop, located at 1312 Sartori avenue—across from the Piggly Wiggly store—will be ready at that time to welcome inspection from Torrance women and young ladies.

Extensive redecorating has been done to make the shop one of the outstanding business houses in the city. An exceptionally fine line of women's wear has been attractively displayed and trained saleswomen will be in attendance to assist all shoppers in this district.

W. Quisenberry, owner of the shop as well as four others of the same type, has made available the very latest modes in coats, dresses, millinery and furnishings and the Advance Shop will be prepared Saturday morning to meet any demand, he said today.

### Indian Bankers

V. V. Subbiah, upper, and A. M. Murugappa, leading Madras bankers who will represent India at the International Chamber of Commerce meet in Washington, D. C. on May 4. Their main points on behalf of India, they declared when interviewed upon their arrival in San Francisco will be to seek the economic solution for the low silver situation, deflation of cotton and other markets and the general rationalization of Indian trade.
