Wednesday, 7:30 p. m., choir practice.
Thursday, 7:30 p. m., prayer and study on Holy Spirit.

CHURCHES OF CHRIST, SCIENTIST
"God the Only Cause and Creator" is the subject of the Lesson-Sermon, Sunday, June 7, in the Church of Christ, Scientist, in the First Church of Christ, Scientist, in Boston, Mass.
The Lesson-Sermon opens with the following verses from John: "In the beginning was the Word, and the Word was with God, and the Word was God. All things were made by him; and without him was not any thing made, that was made." Another Scriptural selection presents these other joyful words of John's from his Revelation: "I received glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created."

A correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "The creative Principle—Life, Truth, and Love—is God. The universe reflects God. There is but one creator and one creation. This creation consists of the unfolding of spiritual ideas and their identities, which are embraced in the infinite Mind and forever reflected. These ideas range from the infinitesimal to infinity, and the highest ideas are the sons and daughters of God."

LATTER DAY SAINTS
At K. of C. hall, corner of Fortieth avenue and Redondo boulevard.
Sunday school, 10 a. m.
Sunday evening meeting at 7 o'clock.
Tuesday meetings: 1:45 p. m., Relief Society; 3:30 p. m., Primary meeting; 7:30 p. m., Mutual Improvement Association meeting.

Engracia at Arlington, Phone 84-W.
George G. Elder, pastor.
Sunday school, 9:30 a. m. The church school meeting in several assemblies. Scott Ludlow, superintendent.
Morning service, 10:50 o'clock. Preaching service and Holy Communion.
Evening service, 7:30 o'clock. The pantomime, "The Garden of Light" will be given by members of the church school at this hour. Public invited.
At 6:30 p. m., the Young People's society of Christian Endeavor, Topic: "The Need for Christian Thoughtfulness and Kindness." (Consecration meeting.) Betty Danford, leader.
Tuesday, orchestra practice at 7 p. m. Alfred Paulk leader.
Wednesday, members of church school will lead the church night service for the month of June.
Thursday, choir members meet for rehearsal at 7:30. R. V. Koclos, director.

Prospective Pastor To Preach Here Sun.
Kemp J. Winkler, associate pastor of the First Methodist church of Long Beach, graduate of the University at Berkeley, and of Boston University, will preach at the First Methodist Episcopal church Sunday morning, his subject being, "Catching Step."
Rev. R. A. Young will be leaving after June 21, and he brings this young man, who is a great preacher, to his pupil that the congregation and the people of the city may know him. Torrance may have the privilege of securing this educated and talented man for their preacher for the next year.

The pastor, Rev. Young, has for his subject Sunday night, "The Necessity, Business and Luxury of Religion." Since Rev. Young will bring but four more messages to Torrance, large crowds are expected to hear them. There will be special music Sunday night.

FIRST BAPTIST
Corner Martina and Carson.
Rev. John B. Speed, pastor.
1827 Andree avenue, Phone 148.
Sunday school, 9:45 a. m. W. M. Tolson, superintendent.

Children's Day At Christian Church Will Be Sunday
Next Sunday, June 7, is being designated as "Children's Day" in the Torrance Christian church and church school. At the evening hour, 7:30, a beautiful pantomime, "The Garden of Light," by Mary Bechwith Butchart, will be given by members of the school. The scene for the pantomime will be laid in the Garden of the Muncell (Garden of Light) Girls' Hostel. The garden will be tropical as palms, ferns and flowers will be used to give the desired effect. The following service of worship will be given:
Piano prelude, "Jesus Shall Reign Where'er the Sun"; Hymn, "Christ for the World We Sing"; Scripture, Isaiah, Chapter 55; Prayer, by the pastor; Hymn, "We've a Story to Tell to the Nations," Junior, Dept.; Scripture verses, Mark 10:13-16, read by a Junior; Hymn, "The World Children for Jesus," Primary Dept.; Hymn, "I Want to Send a Whisper Song," Beginners' Dept.; Play, "The Garden of Light"; Offering, for the work of the church around the world, and Closing Hymn, "Praise the Lord, Let It Float."

"DRY" ROBBERS
By the United Press
COLUSA. Burglars broke open a liquor compartment filled with rare old bonded whisky, but ignored the liquor and took \$30 from the cash register at a local drug store.

SCOUTS HOLD IMPRESSIVE MEMORIAL OBSERVANCE
Impressive Memorial observance was held by the Boy Scout Troop No. 3 Friday evening at the Scout hall. The purpose of the program was to instill in the minds of the boys the true meaning of Memorial Day, according to Robert Lewellen, scoutmaster.
Earl Conner, commander of the American Legion, in a short talk presented some interesting phases of the World War. Howard Clark, sons, Torrance's own Junior Hill-Billy, entertained with a few songs. At the close of the program the Scouts faced the west at attention while the bugle sounded "Taps."

FOOD SALE
The Lutheran Ladies' Aid will have a food and apron sale Saturday, June 6, beginning at 9:30 a. m. at the showrooms of Ed's Service garage, 1910 Carson street.

RE-UNITED
By the United Press
CHICO.—Charles Lea was stopped here the other day by a stranger, who said, "Howdy." Said Lea, "I don't know your name, but you look familiar." "I should," was the reply. "I'm your brother Zach, whom you haven't seen for 20 years."

Mr. Car Owner Here Is What Race Drivers With Life and Victory at Stake Have Decided About Tires

FOR twenty-one years the Indianapolis two and one-half mile circular brick track, surrounded by a concrete wall to keep the cars from dashing off, has been the crucible where at white heat automobiles and tires have been tested. Thousands of men have risked and some have sacrificed their lives, and manufacturers have spent millions of dollars, to the end of making better automobiles and better tires.

Louis Schneider and mechanic Saturday won this race in a heavy 8-cylinder car. He made an average speed of 96.629 miles per hour. On the straightaways, and in passing cars, he touched 140 miles and better. He drove on 6.00-20 Firestone High Speed Tires with racing treads. He had no tire trouble.

He used Firestone Tires because Firestone experts and engineers have, through 21 years, taken this race as a challenge to tire making. From this race they have developed vital improvements which have given to Firestone Tires the world leadership in Safety, Mileage and Endurance.

1. Gum-Dipping—Tires had to be stronger and able to stand the heat of a hot red brick track at high speed. Firestone met this by developing and perfecting the dipping of cords through a rubber solution to insulate each fiber of every cord to overcome heat, and give the cord greater strength and 58% greater flexibility. This is the patented Gum-Dipping process used in the making of every Firestone Tire.

2. The Balloon Tire was developed by Firestone to permit greater speed with comfort and safety by increasing road grip, and absorbing shocks. It was made possible by the added strength and flexibility given by Gum-Dipping. In the 1925 race some of the drivers tried some of the then new Firestone Balloons; the others stuck to high pressure tires. Peter De Paolo, on Firestone Balloons, made a world's record. All prize winners came in on Firestone Balloons. Now the Balloon tire is everywhere the standard.

3. Double Cord Breaker—The higher powered cars and the step-up in speed demanded still more tire toughness. At 100 miles an hour the circumference of a tire increases by more than 10%, and this added to the centrifugal force tended to throw off the tire treads. Firestone met this by developing the patented double cord breaker, which gives a 56% stronger bond between the tread and the tire body, and also gives a 26% greater protection against punctures and blowouts.

Those are some of the great lessons that Firestone has learned on this racing track, and so the men whose lives and fortunes depend on knowing tires always buy Firestone Patented Gum-Dipped, Double Cord Breaker, High Speed Tires.

There were 72 entries. Of these, 40 survived the elimination trials—and every one of them was on Firestone Tires. And every tire was bought and paid for.

We give you the benefit of all the lessons Firestone has learned from these races. You can get from us all the strength and safety in tires that the racing drivers buy.

World's Records
—Firestone Gum-Dipped Tires hold all world's records on road and track for safety, mileage, speed and endurance.
—for twelve consecutive years they have won the 500-mile Indianapolis Endurance Race.
—were on the winning cars in the Pike's Peak Race where a slip meant death.
—were on the G.M.C. Truck, carrying a two-ton load, that hung up the coast-to-coast endurance record.
—were on the Studebaker car which on a board track in Atlantic City in 1928 went 30,000 miles in 26,326 minutes.
—on 125 buses of the Washington Electric & Railway Company, ran 3,674,266 bus miles during 1930 with only 13 tire delays.
—on 150 trucks of Safeway Stores, Inc., Firestone Gum-Dipped Pneumatic Truck Tires ran 1,500,000 miles in one year without one single hour of delay on the road.

Equip Your Car Now for Safe Summer Driving. Avoid the Risks of Blowout, Accident or Delay.

Take Advantage of Our Liberal Trade-In Plan. Prices on These World's Record Tires are the Lowest in History.
