## Elementary Summer School Ends Term With Fine Attendance Record

With an average daily attendance of 320 pupils, the Torrance Elementary summer school session, which closed last Friday afternoon with an ice cream party for all boys and girls who had a perfect attendance record, was the best attended here in the history of the school.

During the last week of the vacation term there were 325 pupils attending school. The average number of boys and girls per teacher was well over 35, according to Principal William M. Bell, Jr.

One hundred and five pupils were privileged to attend the "perfect attendance" party last Friday morning. The large number indicates the keen interest maintained by the faculty in the school work and the fine response of both children and parents in being at school every day during the term.

#### "Perfect Attenders"

This honor roll includes:
