

CAR OWNERS DEMAND VALUES —not Claims!

GUM DIPPED CORDS
Every cord in Firestone tires is Gum-Dipped. This patented extra process penetrates every cord—coats every fiber with pure liquid rubber. Gum-Dipping increases the flexing life of the cords—minimizes internal friction and heat—increases the strength of the tire body—and gives longer tire life. Only Firestone Gum-Dipped Tires give this Extra Value.

TWO EXTRA CORD PLYS UNDER THE TREAD
The patented construction of Two Extra Cord Plys under the Tread in Firestone Tires insures a stronger bond between Tread and Cord Body and greater protection against Punctures and Blowouts. This new, improved "all cord" construction antiquates the old-fashioned cross-woven fabric construction used by others.

Motorists are finding the Greatest Values in Firestone Gum-Dipped Tires. Ever since Firestone and Firestone Dealers began advertising the true facts about tire quality and construction and actually demonstrating the Extra Values in Firestone Gum-Dipped Tires, distributors of special-brand mail-order tires have grown bolder and bolder with misleading claims and comparisons in the desperate effort to interest car-owners.

Car owners bought more Firestone Tires in May, June and July, than in any like period in history. This clearly shows that car owners are interested in Firestone Extra Values and are not interested in comparisons based on an almost obsolete tire size—confusing laboratory analyses—meaningless definitions—impractical challenges with unfair claims of twenty-five per-cent savings—and deceiving price comparisons.

Why risk a tire of unknown manufacture when you can get the Extra Quality, Extra Strength, and Extra Safety of the special patented construction features of Firestone Tires—Gum-Dipping, and Two Extra Cord Plys under the Tread?

You get these Extra Values—plus our Service and the DOUBLE GUARANTEE of Firestone and ourselves—at no more cost!

Drive in today.—We have sections cut from Firestone Tires, special-brand mail-order tires and others.—See the evidence.—Take nothing for granted.—Judge for Yourself.

Post-Armistice Days Revived for Barthelless Dramatic Hit Which Starts Next Sunday

Better than "Dawn Patrol." Scene from "The Last Flight," starring Richard Barthelless, at the Warner Bros. San Pedro Theatre, starting Sunday.

"Defenders of the Law" make it difficult for racketeers. Underworld pictures have been made the target of unfavorable criticism in some localities because of their so-called evil influence upon the immature mind. Maybe some of them are, but "Defenders of the Law," the new picture coming to Warner Bros. Friday, while a story of crooks, shows that the day of the racketeer is short when the police are on his trail. You can take the kids to this one without any fear of bringing an embryo gunman or bobbed-hair bandit back home with you, but there is enough action to delight the hearts of the youngsters and grown-ups alike, with some of your favorite players, including Catherine Dale Owen, Robert Gleckler, Paul Panzer, John Holland, Kit Guard and Al Cooke.

Sunday, Richard Barthelless will be seen in "The Last Flight"—his latest starring vehicle. He plays the part of Cary Lockwood, an ace of the World War, and while "The Last Flight" is not a flying picture, the hero makes his entry as he emerges from a flaming plane which crashes near Paris—where he at once begins a round of pleasure in an effort to find excitement to equal that of the days before the Armistice.

TORRANCE ENTERTAINERS ARE IN NEW LOCATION

O. D. Montgomery, who has been conducting dances every Friday at the old American Legion hall, has engaged the Silver Spray Syncopators, a 10-piece orchestra, to make music for his entertainments, which will be conducted in the future at the American Recreation Center. Torrance musicians who are members of the orchestra are Robert Lessing, Dallas Danford and Clarence Carpenter.

A "Cot" Queen for Fair Court

In carrying out the spirit of the fiesta year in California, a Court of Agriculture will be held at Los Angeles County Fair in Pomona, Sept. 18 to 27, and at this court the leading southland crops will be represented by fair maidens now being chosen for the honor. Miss Catherine Johnson, the dainty maiden shown above, has been selected to represent the bountiful apricot crop at the agricultural exposition.

Comedy Pair Seen As Vote Getters in "Politics"

"Politics," which brings Marie Dressler to the Torrance Theatre in her first picture as a full-fledged star, Tuesday, Wednesday and Thursday, is unique in that it gives her equal opportunity as a comedienne and as a dramatic actress.

The new picture is a comedy drama of political life. Miss Dressler plays a housewife who, goaded to action by conditions in her town, runs for mayor, organizes the women's vote and drives out gangster rule. Polly Moran plays her political manager and aide-in-battle.

High spots include Miss Dressler's dramatic denunciation of the crooked mayor in the political rally; her defiance to the gang leader, the attempt of the husbands to break up the women's rally which ruins Marie's speech, her retaliation by calling the women of the town out on strike against their husbands, the organizing of

the women's committee, and the arguments between herself and Miss Moran.

While most of the story is screamingly funny, the tense dramatic moments disclose Miss Dressler as a character actress of compelling force.

Mrs. Therese Beranek, 21720 Harbor boulevard, has recently been notified that she had passed the state examination in the profession of midwife, and has received a certificate which entitles her to practice.
