### Incidents of European Tour To Clubwomen

Members of the National Business and Professional Women of Torrance enjoyed a witty, amusing talk by Dr. Minnie Proctor on her trip to England and several European countries, at their regular dinner meeting Tuesday night at Earl's Cafe. Dr. Proctor departed from the beaten path of the usual travelogue speaker, and instead, led her hearers into some delightfully intimate contacts with people and social customs abroad. Her droll descriptions made the trip, by proxy as it were, one that the listening group will long remember and chuckle over.

Master Chef Earl Conner gave the club a delightful surprise by serving a turkey dinner. The tables were decorated in autumn colors with a horn of plenty forming the centerpiece, the work of the club decorator, Laila P. Bowen, whose handiwork for the evening was unanimously praised. An out-of-town guest at the meeting was Mrs. E. E. Burdick of Gardena.

Community singing, led by Margaret Shell and accompanied by Katherine Buffington, concluded the program. At this meeting the members pledged themselves to dispose of a number of tickets to the Torrance Theatre's benefit matinee which will be given November 25. The entire proceeds of this performance will be turned over to the Torrance Relief Society for local aid to the unemployed.

**OUT-OF-TOWN PARTY ENJOYED**  
Mr. and Mrs. J. C. McDonald and the Misses Rosa and Katherine Oytman were guests of Mr. and Mrs. E. J. Peck at Wilmington when they entertained with an informal bridge party at their home.
