**Let your Lawn, too Blossom with Good Cheer for Christmas**

Add your mite to those myriads of stars whose twinkling note of good cheer contributes so much to the enjoyment of our Christmas season. Any bit of shrubbery, a bush or vine, can be your outdoor Christmas Tree. It need not be large or ornate. Just a few lights glimmering among the greenery.

Ask your electrical merchant to show you the new lamps. The equipment for your outdoor Christmas Tree will cost surprisingly little this year. Or, if you already have your lighting sets, replace burned-out bulbs with new lamps, and join your good neighbors in lighting up all outdoors for Christmas.
