CHRISTIAN SCIENCE CHURCHES
 A Lesson-Sermon on "Probation after Death" will be presented on Sunday, April 24, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.
 Among the Scriptural selections will be the following verses from the Bible: "Who when Jesus was risen, early the first day of the week, he appeared first to Mary Magdalene, out of whom he had cast seven devils. And she went and told them that had been with him, as they mourned and wept. And they when they had heard that he was alive, and had been seen of her, believed not. . . . Afterward he appeared unto the eleven as they sat at meat, and upbraided them with their unbelief and hardness of heart, because they believed not when which had seen him after he was risen."
 A correlative passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Jesus' unchanged physical condition after what seemed to be death was followed by his exaltation above all material conditions; and this exaltation explained his ascension, and revealed unmistakably a probationary and progressive state beyond the grave. Jesus was the way; that is, he marked the way for all men."

Brotherhood to Present Forceful Speaker Sunday

Prominent Attorney of Los Angeles to Occupy Rostrum at Central Evangelical

The men of the Brotherhood of Central church are presenting on Sunday evening, April 24, William R. Litzenberg, who will speak from the pulpit of Central church at 7:30.

Mr. Litzenberg comes highly recommended to the committee in charge. He is a practicing attorney in the city of Los Angeles, confining his time to practice in the U. S. Patent and Trade Mark courts.

Mr. Litzenberg is one of the outstanding men in religious work as a layman, in Southern California, having served in executive and administrative work on the board of religious education of Southern California, as well as the United Brotherhood of Los Angeles. He is an active worker in Sunday school and church work of the Baptist church of Los Angeles, as well as a platform speaker.

He also served on the board of education of the Pasadena public schools for a number of years, and was president of that body in 1924. He has also served on the county board of education, giving much time to its supervision and present efficient standing.

Mr. Litzenberg has just been announced as a candidate for Congress from the 16th district, of which Torrance is a part, but will not speak on this topic at this time.

The topic Mr. Litzenberg has selected for his talk on Sunday evening is, "The Christian Religion from the Standpoint of a Lawyer."

Those in the community interested in the welfare of their neighborhood, should hear Mr. Litzenberg in this timely subject.

Aged Father of Geo. Powell Dies
 Through a regrettable error in the death notice of George H. Powell, published last week in the Herald, the notice was made to read Mrs. George Powell. The aged man, who passed away at the General hospital in Los Angeles, was the father of George V. Powell, employed at the Torrance elementary school. Mr. Powell, senior, was 82 years of age and had been ill for some time. He is survived by his son and three daughters, one of whom, Mrs. Nanette Shoemaker, resides in Lomita.

SOUTH LOMITA CHURCH

Next Sunday evening, Misses Marguerite Loftus and Opal Sherer of Los Angeles will be present at the Young People's and church service, bringing the gospel message in song. All who have heard them, promise a rich blessing in their singing and testimony. Come and hear these young women.

The Women's Missionary Society will meet at 2 o'clock next Thursday at the home of Mrs. Frank Stein at 1401 Cypress street. Stirring news, direct from mission fields, will be presented.

Mr. Olsen will entertain the girls of both groups of "Go Tellers" at a party at the church Saturday from 10:30 to 1:30. The Lomita children meet at Bereah church on Mondays at 3:00, and South Lomita girls at the South Lomita church at 3:00, every Tuesday. The club is growing.

A "Pirate Party" sounds intriguing, doesn't it? The Young People will be searching buried treasure in the Mills-Thomson orchard next Saturday evening!

SEVENTH DAY ADVENTIST
 Weston and Walnut streets, Lomita. C. Phillips, elder.
 Sabbath school, 9:45 a. m.
 Preaching service, 11 a. m.
 Prayer meeting Wednesday, 7:30 p. m.

Funeral Services For Mrs. A. Valen Are Held Monday

Mrs. Anna Valen, aged 80 years and 10 months, died Saturday, April 16, at the home of her son, William Valen, 1560 Carson street. Mrs. Valen was born in Sweden, but has resided in the United States for many years. She came to Torrance eight years ago from the state of Washington to make her home with her son.

Funeral services were held at Stone & Myers chapel on Monday, April 18, at 2 o'clock. E. H. Lingenfelter, former pastor of the First Christian church, conducted the services, with Mrs. Thomas Ulrich as soloist.

The remains were taken to Sumner, Washington, for interment. Mr. and Mrs. William Valen accompanied the body.

Charles Eikenberry Passed Away Monday

Charles Eikenberry, son of Mr. and Mrs. S. J. Eikenberry, of Redondo Beach, died very suddenly at the family home at 404 No. Camino Real Monday, April 18. Although the young man had been ill for some months his death was entirely unexpected. He was a brother of Mrs. Wallace McBride, local agent in Torrance of the Southern California Edison Company.

Scouts On Trip to Fish Canyon

Scoutmaster Robert Lewellen escorted the Pine Tree patrol of Troop 3, Boy Scouts, on a trip to Fish Canyon over the week-end, where the boys were given a number of outdoor tests and enjoyed hiking and other mountain pastimes.

Nine members of the patrol, which was the winner of a recent troop contest, were in the party together with the junior officers of the troop and the mascot, Bobby Lewellen. Harvel Cuttender placed his cabin in the canyon at the disposal of the Scouts, and Schultz & Peckham furnished the transportation. The Scouts wish to thank these business men for their generosity and acknowledge particularly the kindness of Schultz & Peckham, who have furnished a truck for their transportation on a number of trips during the past few years.

Snow Crushed Summer Homes

RENO, Nev.—(U.P.)—Many residents of Reno, who own summer homes in the higher altitudes of the Sierra Nevada mountains know now that winters can't be taken for granted. Snowfall was light for several years and flimsy houses and cottages were erected. The heavy snows of the past winter crushed dozens of them.

The TIRE That Taught THRIFT To MILLIONS!

FIRESTONE tires appeal to the thrifty. They give Extra Values at the lowest prices ever known.

Firestone do not manufacture tires under special brand names for mail order houses and others to distribute. Special brand tires are made without the manufacturer's name. They are sold without his guarantee or responsibility for service.

You take no chances on Firestone tires. They are silent, safe, long-wearing — and each tire bears the Firestone name, which is a guarantee of satisfactory service.

Firestone's greater economies in buying, manufacturing, and distributing make possible these greater values and lower prices.

Stop at our store today. See sections cut from Firestone tires — special brand mail order tires and others. Take these sections in your own hands — compare Quality and Construction. Then you, too, will know why — "Firestone is the tire that taught thrift to millions!"

Extra Values GUM-DIPPED CORDS

The Firestone patented Gum-Dipping process transforms the cotton cords into a strong, tough, sinewy unit. Liquid rubber penetrates every cord and coats every fiber, guarding against internal friction and heat, greatly increasing the strength of the cord body, and giving longer fire life.

TWO EXTRA CORD PLYS UNDER THE TREAD

This is a patented construction, and the two extra cord plies are so placed that you get 50% stronger bond between tread and cord body, and tests show 25% greater protection against punctures and blowouts. It sets a new standard for fire performance on high speed cars.

NON-SKID TREAD

Tough, live rubber specially compounded for long, slow wear. Scientifically designed non-skid gives greater traction and safe, quiet performance.
