**CHRISTIAN SCIENCE CHURCHES**

Paul's question, "Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you?" constitutes the Golden Text for the Lesson-Sermon on "Soul and Body" on Sunday, May 22, in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.  
Among the Scriptural citations are the following verses from Matthew, "And great multitudes came unto him, having with them those that were lame, blind, dumb, maimed, and many others; and cast them down at Jesus' feet; and he healed them: insomuch that the multitude wondered, when they saw the dumb to speak, the maimed to be whole, the lame to walk, and the blind to see: and they glorified the God of Israel."  
One of the correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Knowing that Soul and its attributes were forever manifested through man, the Master healed the sick, gave sight to the blind, hearing to the deaf, feet to the lame, thus bringing to light the scientific action of the divine Mind on human minds and bodies and giving a better understanding of Soul and salvation."
