Judge I. Pacht In Campaign To Succeed Himself

Support of Voters Asked in Returning Jurist To Bench

Urging the support of every voter who desires to secure judges of great ability and sympathetic understanding for Judge Isaac

Pacht, candidate to succeed himself to the superior court, office No. 12, Joseph Scott, nationally known civic leader, has issued a call for the election of Judge Pacht at the primary election of August 30.

"Knowing Judge Pacht as I do," Mr. Scott, who is a leader of the bar as well as active in patriotic circles, says, "I bespeak for him the cordial support of every voter who desires to retain upon the bench those judges, like Judge Pacht, who possess judicial temperament, legal ability, wide experience in the profession and a sympathetic understanding of the problems involved in litigation."

Endorsements of Judge Pacht have been made in all parts of the county by many individuals and organizations, according to Judge Robert M. Clarke, chairman of his campaign committee. These endorsements are based on his record for legal ability, diligence, courtesy, and personal integrity, it is stated. His campaign committee points to the record made by Judge Pacht recently in a 60-day period in the law and motion department of the courts when he broke all previous records by handling 217 cases all of which were decided within one week after the close of the period.

Flag Presented to V.F.W. Auxiliary at Impressive Program

LOMITA.—At an impressive ceremony held at the Veterans of Foreign Wars hall in Lomita, Monday evening, Christine Whitman, Tent No. 27, Daughters of Union Veterans of the Civil War, presented to Auxiliary No. 1622, Veterans of Foreign Wars, a silk patriotic instructor's flag, the speech of presentation being made by Mrs. Fannie Coons, acting patriotic instructor of the tent. Mrs. Mabel Erickson, president of the auxiliary, accepted the token on behalf of the auxiliary, and the chaplain, Emma Forsythe, read an original poem in appreciation of the courtesy, and presented flowers to Mrs. Mae Leonardo, president of the tent.

A beautiful drill was exemplified by the auxiliary drill team under the direction of Mrs. Grace Stahnke, and Mrs. Fannie Coons served as captain of the tent team in their floor formations.

Mrs. McGrath, acting president of the Santa Monica auxiliary; Mrs. Cuculich, president of Harbor auxiliary No. 1233, V. F. W.; and Mrs. R. E. Lesley, president of Los Angeles Council, V. F. W. Auxiliaries, and past president of Lomita auxiliary, occupied places of honor at the meeting. Comrades William McCoy and William Mendelsohn of Harbor Post, G. A. R. were introduced and responded with short stories. The evening was concluded with a social hour and the serving of delicious refreshments.

Fraud Discovered

Carrier's Tablets, investigators have discovered that there are several thousand bottles of spurious imitation tablets on the market that are being represented to the public as genuine Carrier's Tablets. Some of these "bootleg" unscrupulous dealers have gone so far as to secure an actual duplicate of Carrier's Tablets label, can bottle, and a tablet the same size and color. These are positively not Carrier's Tablets as manufactured by us under our secret formula. These cases are being turned over to the authorities for prosecution as fast as the evidence can be prepared.

Do not gamble with your health by purchasing Carrier's Tablets from anyone in your city except the exclusive Carrier's Tablets dealer. This is your only guarantee of securing absolutely genuine Carrier's Tablets. Dolley Drug Co., Torrance, Exclusive Agents.—Adv.

Few Tickets Left For Booth Lecture

"There are still a few tickets left for seats in the section reserved for Torrance residents at the Hollywood Bowl," says Envoys Lucy King of the Salvation Army,

"to hear Evangeline Booth, commander in chief of the army. Those who wish to attend should see me at once." The lecture, which is free to all, will be given Sunday evening at 7 o'clock. A sacred concert, in which a choir of 1000 voices will take part, will begin at 6 o'clock.

While Food Cooks on a Clock Controlled Natural Gas Range

You may be in the next room—or miles away—when food starts cooking, while it cooks, and when it stops. At any time, the burners you select are turned on with the exact heat you desire. Oven temperature is kept constant by the automatic oven heat regulator. At any time, heat will be turned off by the clock.

Baking at a uniform temperature is better and more economical. Oven watching, even when a delicate cake is being cooked, is unnecessary. Further saving of fuel is accomplished by oven insulation, which keeps heat in the oven, out of the kitchen.

The new natural gas ranges are beautiful, shinningly clean, delightfully convenient, and unequaled in speed and economy. See them in the display of your dealer or gas company, and look for the Blue Star Seal of the American Gas Association Testing Laboratory.
