Trojan Stars Refused; Make Pro Team Too Strong, Says Coach

MERCED, Calif. (U.P.)—Can you imagine a football coach looking for material turning down the services of Garrett Arbelbide, Galus Shaver and Stan Williamson, stars of U. S. C.'s 1931 national championship team?

That's exactly what Shack Groesel, coach of the Merced American Legion team, did recently.

"We refused the Trojan stars," said Groesel, "because we can't have too good a team."

"Last year that was our trouble. The Merced Legion, undefeated in a tough schedule against teams from all over the state, won the games by such large scores that nobody would turn out to see us play."

The 1931 Legion team scored 267 points to its opponents' 6.

PILOT'S LICENSE

Robert C. Dool, of 16129 South Western avenue, Moneta, is among those to qualify for a private pilot's license during the past week.

Rita	3	2	1
Banning	2	1	3
TORRANCE	2	3	1
Leuzinger	2	3	1
South Gate	2	4	0
Gardena	0	4	2
El Segundo	0	6	0

Thursday's Scores
TORRANCE, 6; South Gate, 0.
NARBONNE, 19; Jordan, 7.
Jacob Rita, 20; Leuzinger, 0.
Gardena, 0; Banning, 0.
Bell, 40; El Segundo, 0.

New Event Added to Jr. Pentathlon Program For 1933

A new system of devising perfectly balanced coefficients. A new style of scoring—perfected after hundreds of hours of actual field experiments and research.

A new event—the ball put.

These are a few of the outstanding qualifications of the Sixth Annual Junior Pentathlon program to be held in seven Southern California counties in 1933. In previous years a number of Torrance junior athletes have competed, and some have won honors.

The juvenile program does not stress the development of champions but reaches its objective through mass participation. The more youngsters who take part in the sport, the more successful the project becomes.

That the five-event program is an ideal one is easy to see. Four events hold over from last year: the sprint, high jump, broad jump and basketball test. Instead of the baseball throw for accuracy, the ball put has been inaugurated.

This soft five-pound ball gives the youngsters all the benefit of shot-putting without the danger incurred from using a hard object. Also for the first time in the program an event is had which tends to develop upper body strength.

While actual competition in the pentathlon will not start until after the first of the year, plans for the program are progressing rapidly in the seven Southern California counties which comprise the group. The counties include Los Angeles, Orange, Riverside, San Luis Obispo, Santa Barbara, San Bernardino and Ventura.

Gauchos Snatch Dream of Title From Only Rival

Narbonne Warriors Crush Jordan in Last Game of Season

Ben Comrada's Gauchos came through with their fourth championship in seven football seasons when they defeated Jordan, their only rivals, Thursday, by the decisive score of 19 to 7.

Watanabe, Sheppard and Marsh contributed the scores that broke the hearts of the dusky warriors from Watts. The little Japanese halfback went over the line in the first quarter with Williams converting for Narbonne. The teams battled through the next two quarters without advantage to either side.

The break came in the closing frame, when Marsh and Sheppard scored, the latter on an intercepted pass.

Carter, of Jordan, counted the only touchdown for Jordan in the last few minutes of play.

Narbonne was undefeated during the present season, and was scored on only three times during the six games, for a total of 19 points, while the Gauchos rolled up 129.

The Torrance Tartars gave Narbonne its only real scare, when they held the Lomita Indians scoreless until the last three minutes of play in the second game of the season.

Thursday's starting lineup:
Narbonne (19) Jordan (7)
Tallman LER Tatter
Brimpton LTR Dickson
Schmidt LGR Jares
Mela C Kostawal
Rider RGL Berry
Gordon RTL Arnaga
Holman REL Denning
Sheppard Q Phenino
Gould LHR Jones
Watanabe RHL Burch
Williams R Carter

Score by quarters:

Narbonne	7	0	0	12-19
Jordan	0	0	0	7-7

Tartars Are Tied For Fifth Place As Season Closes

Torrance Football Squad Ends Season With Win Over South Gate

Torrance, 6; South Gate, 0.

A pass from Adzavich to Adamoli, substitute quarterback, in the last quarter of the Thursday's game gave the local boys a well-earned victory in their last game of the 1932 Marine League season and set them in a tie with Leuzinger of Hawthorne for fifth place in the standing of the teams.

This showing is the best that has been made by a Torrance team for a long time, and puts the boys who have worked hard all season in a good frame of mind for their campaign next fall.

Although 13 of the squad which turned out this year will not return in 1933, there are enough left of the three strings to produce a good foundation for the next Tartar team.

While most of the credit for Torrance's good showing goes to the new coach, Bernard J. Donahue, who had a hard job before him when he took over the reins this fall, something of the glory is due to the boys who for the first time in several seasons took their football seriously and gave the best they had to build up a winning team.

Torrance gets credit for giving Narbonne, undefeated champions, the hardest battle of the season, and for holding Banning to a 9-0 tie. Their first defeat, at the hands of Bell in the first game of the season, on a safety 2-0, was one of the tough breaks of the year, as the Tartars were entitled to at least a draw on the showing they made.

Thursday's starting lineup:
Torrance (6) South Gate (0)
Howard REL Dohn
Quayle RTL Hardy
T. Briganti RGL Reeson
Everett C Walker
Atchison LGR Walsh
Parks LTR Shafer
Harris LER Vance
Figueroa LHR D. Farrier
Adzavich RHL L. Farrier
McLean Q L. Peterson
L. Briganti F Peterson

Score by quarters:
Torrance 6-0-0-6
South Gate 0-0-0-0

Open Season On Small Game Now Entices Hunters

Quail, Rabbits, Ducks Are Now Fair Game For Local Nimrods

November is proving an attractive month for small game hunters and anglers, a report received by National Automobile Club from the State Fish and Game Commission.

The duck season opened on November 1st for a two month period. On November 15th, the quail season opened throughout the state with the exception of District 14, comprising Humboldt, Del Norte and the western half of Siskiyou counties. In this area the season opened on November 1st and ends December 31st.

The season for cottontail and brush rabbits opens with the quail season, and for the same length of time. District 4, made up of San Diego and Imperial counties, however, has no closed season on these small game animals.

The limit on rabbits for one day is 15, with a possession limit of 30 a week, except in District 4, where there is no limit. District 4 includes Los Angeles, San Bernardino, Riverside and Orange counties.

From November 15th to February 28th, it will be legal to shoot bear and trap fur bearing animals.

Steelhead fishing is open on the Russian, Napa, Novarro and Eel rivers, as well as in District 14 of the Klamath river and in the Santa Cruz, Monterey and San Luis Obispo tidewater areas. The season extends into 1933.

Crab season opened November 15th for eight months.

With plenty of waterfowl, increase in quail coveys, rabbits more numerous in many sections of the state, steelhead fishing the best for years, and prices increasing for fur, there seems to be plenty of opportunity for hunters, anglers and trappers to get full use out of their 1932 hunting, fishing and trapping licenses.

Gene Sarazen Enters Pacific Coast Meet

SAN FRANCISCO. (U.P.)—Entries of leading professional golfers headed by Gene Sarazen, British and United States open champion, have been received for the third national match play open championship to be played here December 7 to 12.

Professionals who sent in their entry blanks for California's initial winter tournament include, besides Sarazen, Horton Smith, Leo Diegel, Wiffy Cox, defending champion; Harry Cooper, Mortie Dutra, Craig Wood, Al Watrous and Olin Dutra, P. G. A. champion.

Tournament officials have decided on 64 qualifiers for the match play rounds this year with a guaranteed prize money split of \$2500, plus a percentage of the gate receipts. This "percentage play" business will be a popular thing in most of the winter tournaments this season with the winners having the opportunity of increasing their prize money.

NIGHT SCHOOL CASABA SHOOTERS WIN GAME

Torrance B team in the night schools league of casaba shooters defeated Manual Arts last night, 35 to 10 in the first game of the season. The next game will be played at the high school gym November 25, against Venice. The games are free and open to the public.

Bell High Gets Marine League Athletic Cup

Principal John Whitley of Gardena was host to the meeting of the Marine League Principals' Association held at the high school cafeteria, last week. The business of the meeting included working out basketball and baseball schedules for this year, reducing the wages paid for game officials from \$4 to \$2, selecting Bell high school as the 1931-1932 winner of the "Big Cup" which is given to the school having the greatest number of athletic scoring points during the year. Principals from Jordan, Bell, Rita, Banning, Narbonne, Gardena, South Gate, Torrance, Leuzinger, and El Segundo were present at the meeting.

Murphy a Member of Rules Committee Night Ball League

D. A. (Spud) Murphy, manager of the Torrance Bluebirds of last summer's fame in the National Night Ball League, attended a meeting of the magnates of this organization held at the American Legion hall in Huntington Beach Monday night.

George Peterkin, head of the coast highway patrol, was re-elected president, with Lee C. McClellan of Olive, secretary and treasurer.

Murphy, with J. W. Wilcox of Santa Ana and K. B. Hixby of Anaheim, were named on the rules committee and will draw up the rules and regulations governing the games for the coming season.

Torrance, the baby of the league last year, will be a member again in 1933, and expects to make a much better showing this time. The Bluebirds got away to a very bad start last summer but pulled up in the second half to a respectable spot in the standing of the teams. Next year Murphy expects to do better.

New Racing Plant Gets Building Permit

Building permit for a grandstand which the builder states will cost \$126,000 has been granted by the county regional planning commission, the building to be on the "Gilmore Island," in West Hollywood. Inauguration of some form of racing is said to be contemplated. Work is scheduled to be well under way this week. Paul A. Ferguson of Hollywood obtained the permit.

Attend Luncheon in Los Angeles

Judge John Dennis, Principal A. G. Waidlich, Judge C. T. Rippey of Torrance, Principal Clementina de Forrest Griffin of Narbonne high school, and Constable G. R. Faber of Lomita township, represented this district at a meeting of school principals, judges, juvenile court officers, and other officials, at a luncheon at the University club, Los Angeles, Wednesday. A number of speakers were heard, the main topic under discussion being the problem of juvenile offenders and how to deal with them.

Young Child Dies At L. A. Hospital

Mr. and Mrs. J. H. Helton, of Bell, former residents of Torrance, are mourning the death of their young son, Jerrold, age three years, who passed away at the children's hospital, Los Angeles, after two weeks' illness.

Mr. and Mrs. Helton resided in Torrance with the latter's parents, Mr. and Mrs. William Totten, 1414 Amapola, until about six months ago when they moved to Bell. Funeral services for the child were held at Stone & Myers chapel Tuesday morning, Nov. 16, 10 o'clock, with interment at Redondo Beach. Besides his parents, Jerrold is survived by a brother and sister, Bobby and Betty Helton.

Canvass of Ballots Will Be Completed Next Three Weeks

Canvass of the ballot's cast in last Tuesday's general election was under way today by the county board of supervisors. One of the slowest tasks will be the opening of more than 10,000 absentee voters' ballots, nearly seven times as many as ever were cast at any previous election. A total of 11,514 ballots were taken out, practically all of which have been returned. It was estimated by W. M. Sawyer, registrar of voters. The canvass will require nearly three weeks this time, but it is not expected that the standing of any candidates in the Torrance area will be changed.

When thoughts turn homeward

THANKSGIVING! Everywhere over this broad land, men and women are turning homeward for this day of family reunion. Be with the folks at home if you can. If not, give them the happiness on Thanksgiving of hearing your voice.
