House Frocks

\$1.00

Very Fine Quality Broadcloths, Beautifully made. Guaranteed fast colors.

These are House Frocks that measure up to the Levy standard of high quality in every respect! All sizes in the special purchase.

SAM LEVY
1311-1313 Sartori Avenue, Torrance

Keeping Up With Torrance High

Torrance ended its football season with a smash-up game. In the last two minutes of play Adzovitch completed a pass to Adamoli, who ran 40 yards to a touchdown. It was a wonderfully spectacular run and the students on the bleachers nearly went wild. Next year the other schools in the league had best be prepared for a surprise, for Torrance is planning to be away up at the head of the league.

The senior play is making rapid advances and the date is December 9. Instead of the usual prices for seats which are 35 and 50 cents, it is hoped that the price can be reduced to 25 cents straight with reserved seats. As soon as it is definitely decided upon, the decision will be printed in this column.

The Boys' League are to elect a new president to preside at their next meeting, as Bob Atchison, former president, has resigned. Bob is president of the Varsity Club and Key Club and either had to give up the presidency of these clubs or of the Boys' League, and he choose to give up the latter.

The new officers of the B sen-

ior class for this semester have been elected and are as follows:

President, Bob Carson; vice president, James McLean; secretary, John Hilpert; treasurer, Jessie Mae McCray; sergeant-at-arms, Carl Quayle; reporter, Myron Nightingale.

There are many things that have to be accomplished and completed by the senior class, so these officers will be kept very busy this semester. But they are all very able and conscientious; so things should run very smoothly.

Mr. Waldelich was absent from school a week, being confined to his home with an attack of the flu that is now making its rounds. Mr. Waldelich was quite ill and in bed for several days. He is back at school now, and things are beginning to seem normal again. When the principal is absent, there are a million and one things one can think of to ask him.

The Madrigal Singers made their first appearance this semester at Mr. Waldelich's reception. They sang two numbers and received many compliments and much praise.

The Madrigals are expecting Mr. Curtis, head of the music department in Los Angeles, to visit their sixth period class any day. It is such an honor to have him visit

them that they are practicing for perfection diligently.

Miss Brittan of Los Angeles spoke to the students in an aud call Thursday, November 17, about books. She had several books that have just recently been published with her, and showed the students some of the illustrations. She told two of the stories that are in the books about Paul Bunyon. The students were much interested in the stories, and all in all it was a very interesting talk. The aud call was given for book week.

Herman Hamman's familiar face is now seen gracing the halls of T. H. S. again. It seems good to see Herman towering over everyone else in the hall, and he still has that shy grin. The students sincerely hope that Herman is back to stay this time.

The A seniors decided at their last class meeting to have their graduation with the B seniors in June. There were not enough A-12's to have a regular graduation in February as had been planned earlier.

Mr. and Mrs. E. C. Nelson and children, Mary Louise and Gordon, were entertained at the home of Mr. and Mrs. F. L. Rowen at Manhattan Beach over the holiday.

Winter Carnival Lake Arrowhead Held In January

Construction of New Ski Jump Already Under Way

With the announcement that the Los Angeles Junior Chamber of Commerce will hold its seventh annual winter sports carnival at Lake Arrowhead, January 27, 28 and 29, President Edward S. Shattuck of that organization states that the carnival will be the most comprehensive undertaken by this group.

The prestige of past carnivals, ranking among the outstanding winter sports events in the country, coupled with the extensive program planned for the coming event, assure Southern California winter sports enthusiasts and out of state visitors a colorful and interesting three-day snow festival at the resort.

Construction has already started on the new ski-trajectory at Lake Arrowhead, Shattuck pointed out. The ski-hill will have two separate take-offs, one for the use of the professionals in their spectacular lung jumps, and the other for the use of the various amateur classes. Lars Haugen, holder of national and international ski-jumping honors and captain of the professional team, is supervising the building of the hill.

The three-day carnival program will include ski-jumping, amateurs and professionals; inter-collegiate ice hockey games; the college pentathlon; mutt-dog derby for youngsters; night carnival on the ice rink; and the colorful opening and closing ceremonies.

At the junior chamber headquarters, Don J. Fowler, chairman of the winter sports committee, and his co-workers are now formulating the complete carnival program, to be announced soon.

In the past as many as 25,000 persons have witnessed the winter events in a single day.

Lobster Cases Keep Justice Court Busy

Two cases involving the possession of undersized lobsters were heard in the justice court, when Lars Holden, 928 So. Garfield street, San Pedro, plead guilty Saturday to charges of possession and of fishing without a commercial fishing license. He was given until Wednesday to obtain a license and appeared for sentence.

I. E. Noble and Matt Hampton each plead guilty to possession of undersized lobsters and were given fines of \$20 or 10 days in the county jail. Noble's sentence was suspended for six months. Hampton paid \$5 of his fine, the other \$15 being suspended.

CUBS-WHITE SOX SERIES PLAYED IN LOS ANGELES

The city series between the Chicago Cubs and White Sox, which was prevented last fall because of the Cubs' participation in the World Series, will be played in Los Angeles this spring. The White Sox will train at Pasadena and the Cubs at Catalina Island.

Mrs. A. G. Cody and Mrs. Beulah Greig of Monterey Park were recent guests of Mrs. J. V. Murray at her home on Andreo avenue.

SPORTS

STANFORD STAR CAUSES TROUBLE IN ANNUAL BIG GAME

Thundering Bill Sim, Stanford halfback, gave the California Bears plenty to do during the annual "Big Game" which ended in a scoreless tie. He is shown here, pounding around end for a nine-yard gain while Castro grabs at his shoulders. He was downed by Ransome, No. 18. It was Sim who made a touchdown that didn't count because one knee touched the ground two yards from the goal line.

Casaba Squads Lose First Game To Narbonne Hi

Varsity and B Teams Defeated In Two Fast, Thrilling Games

Narbonne's speedy varsity ran up a score of 27-3 in last Wednesday's game against the Tartars. Rathburn, Narbonne's right guard, was high point man. Torrance has a good team but they will have to improve on their long shots to gain victories.

The line-up: Torrance: McPadden RGL, Walker V. Micanovich RFL, Stubblefield Peet C, Beneson M. Micanovich LFR, Mulken Johnson LGR, Rathburn Substitutes for Torrance were Warrington, Green, Barnett, Hallo-way and Coil. Substitutes for Narbonne were Hamilton, Klein, Taylor.

Narbonne defeated the Torrance B's (lightweights), 18-15, in a fast, hard fought game. Lang of Narbonne was high point man. The last half was very thrilling with very speedy playing by both teams. Ackerman was the referee.

The line-up was: Torrance: Yamamoto RGL, Nishikawa Zanon RFL, Coward Grubbs C, Shatz Montague LFR, Lang Fees LGRT, Starky Substitutes for Torrance was Bradford. Substitute for Narbonne was Aspitte. Torrance C team won their game while the D's lost, making it three out of four for Narbonne.

RETURNS TO SCHOOL
Herman Hamman, left tackle of the Torrance football team who was injured at the beginning of the season, and spent several weeks in the hospital, has recovered enough to be able to return to school this week.

ELEMENTARY SCHOOL DOINGS

The Torrance elementary school orchestra, under the direction of Mrs. Lyle Louise Husted, has a membership of 31 pupils, including 23 violinists.

Violinists: Bobby Tolson, Walter Marek, Ruth Norman, Betty Wright, Billy Kelsey, Marcella Paul, Bobby Jones, Bobby Fordice, Howard Bender, Maurice Edens, Charles Hadler, John Jensen, David Jacobs, Betty May Weaver, Army Dowell, John Schwartz, Bobby Worcester, Marvin Lee, Arlys Fossum, Emelia Carr, Charles Marek, Leland Bender, Billy Jolley, Cornet: Fred Lincoln. Saxophone: Jimmy Dowell. Cello: Lloyd Edena. Bell players: Patty Post and Carol Lindeman. Drummer: George Reeve; and two pianists, Edith Cashaker and Phyllis Schultz.

It meets each Thursday afternoon for regular rehearsal and has already appeared upon one program, the evening meeting of the P. T. A. Mrs. Husted has supervised this extra curricular activity for many years.

The art supervisor, Miss Morse, for the upper elementary grades, visited our school November 21, 1932.

The Thanksgiving program presented by the B-5 was enjoyed by a full house Tuesday evening and also by the school children Monday and Wednesday.

The patrons of the program Tuesday evening brought 65 articles of food to be used in the preparation of free lunch for the needy children.

Pass Tosses Has Difficult Job, Says Notre Dame Star

DETROIT (U.P.)—A forward passer who tosses a pass to an end or back for a touchdown should receive credit for just as many points as the receiver.

So, believes Charles E. (Gus) Dorais, head football coach at the University of Detroit.

Dorais, the passer of the famous Dorais-Rockne combination at Notre Dame some two decades ago, would revise official scoring rules to give the player throwing the touchdown pass six points, along with the receiver.

"The passer's job is fully as hard, sometimes harder," Dorais pointed out in a recent statement. "It is certainly more difficult to throw accurately when hard pressed by charging opponents than it is to catch a ball right in your hands."

"Of course, sometimes the receiver performs an almost superhuman feat in grabbing the ball from a would-be interceptor, but generally the passer has the hardest end of the play."

WIND FLAYS TRICK ON FOOTBALL PUNTER

HOLLAND, Mich. (U.P.)—Hope College, defeated Alma 9 to 0 here recently in a homecoming game, but only seven points were justly earned by the opposition, Alma followers contend.

An Alma fullback punted from from his own 10-yard line. The kick was high and when a sudden gust of wind caught the ball it was reversed in direction and sailed over the Alma goal posts into the end zone for a safety.

Holiday Meals Better and More Easily Cooked with a Modern Clock Controlled Gas Range

Food that is cooked just right naturally tastes better than when guess-work governs. The clock on new natural gas ranges starts cooking, and stops it, punctually at the appointed hours. Oven temperature is kept constant by the automatic oven heat regulator. Perfect cooking goes on without the attention, or even the presence, of the home manager.

See the beautiful new ranges in the display of your dealer or gas company, and look for the Blue Star Seal of the American Gas Association Testing Laboratory.
