

HAIL TO THE CHIEF

A

GRASPS  
THE WHEEL

THIS week we join in a nation's greetings; a nation's hopes; a nation's eagerness to support the new leader who takes the helm of The Ship of State.

Party and partisanship are abandoned now and a deep sense of Americanism arises in readiness to lend whole-hearted co-operation to him whom we have entrusted with the momentous task and grave responsibilities that leadership must assume.

It is with faith in your sound judgment, Mr. Roosevelt; in your sterling patriotism and your intensity of purpose that we face the future with courage and with confidence. The pledges which you will take Saturday are mutely echoed in the hearts of the millions of other Americans in support of their faithful performance.

*We're with you Mr. President!*
