N. B. P. W. HEADS OF COMMITTEES NAMED

New plans for meetings for the coming year were outlined by the president, Mrs. Lilla P. Bowen, at the business meeting of the National Business and Professional Women of Torrance on Monday night, which involve a departure in some details from the program of the past.

Committee chairmen were named, with Madame Teala Billini at the head of the music committee; Theo McCoy, courtesy; Clementina de Forest Griffin, research; Edna Schmidt, publicity; La Deene Whayne, transportation; membership, Lute Fraser; public relations, Caroline Stroh; international relations, Beatrice Hughes; hostess, Margaret Hutchins; and a staff of Margaret Shoberg; bulletin, Edna Schmidt; education, Laura Cox; emblem, Lola Hoover; finance, Ruth Haggard; legislation, Juliet M. Young; program, Edna Mullin; yearbook, Beatrice Hughes.

Dr. George P. Shidler has been invited to speak at the next dinner meeting of the club to be held on June 20. Other social programs for the summer will include a studio party in July at the studio of Mrs. Teala Billini in Los Angeles, and a dinner dance at one of the beach clubs in August.

Invitations to affairs of other clubs were read, the first being the installation of officers of the Los Angeles district at Alhambra on June 10, the installation of officers of the Los Angeles National, which aided in sponsoring the Torrance club, to be held at the Alleen Tea Room, 527 West 7th street, on June 15, and an emblem breakfast and personally conducted tour of the Huntington library at San Marino on June 18. All members who wish to attend any or all of these affairs should be in touch with Mrs. Bowen for information as to reservations. It is particularly important that early reservations should be made for the trip to the Huntington library, as only a limited number can be accommodated.
